

Newsletter - 12th January 2018

Happy New Year to all our families and friends,

We hope you have had a relaxing Christmas break. New Year is traditionally a time for making resolutions and at BMS we are no different. We resolve to continue to provide our students with a varied, purposeful and challenging curriculum in order to prepare them for whatever life will pass their way. Our University of Broadstone Curriculum gives our pupils the opportunity to try new skills in different areas which aids them in making decisions regarding what they like to learn about and (although it is early days) which career direction they would like to take. For more information about our University of Broadstone Curriculum offer, please visit our website:- www.bmsweb.co.uk.

I would also like to give my thanks to our pupils for helping to share our new BMS prospectus video, in just three short weeks we had nearly 4000 views on the YouTube channel. If you haven't viewed it yet, go to our school website. We are very happy with the video as it shows the warmth of our school and all the great things that go on on a daily basis.

On behalf of the BMS team, Dawn

MONDAY FUN RUN!

On a particularly cold and muddy Monday afternoon, the students (and staff) at Broadstone Middle donned their lycra, trainers (and coats, hats and scarves) to take part in a charity 5k fun run. They were running to raise funds which would be split 50:50 with Julia's House, a new fundraising initiative of theirs which allows schools to share funds for school resources. The children were fantastic and we can reveal that Dyson House came first with 20 runners in the top 80!

As you know, the school regularly asks for financial contributions to school. In order to ensure we do this, I am writing to let you know that from 19 February 2018, the school will no longer be accepting cash or cheque payments for school related events and purchases. Payments will be able to be made via ParentPay or PayPoint letter.

AFTER SCHOOL CLUB

3.05pm-4.30pm

Open to all pupils

Supervised by a member of staff

What we offer:

After school child care with various activities to keep the children occupied

Support with homework

No pre-booking required - just come along to the Atrium on the day!

Sports Team Results

The Year 7 and 8 girls had the first games of their netball leagues this week. The Year 7's got off to a flying start beating St Edwards. The Year 8's played some brilliant netball but had tough opposition in Parkstone Grammar School for their first game! A very promising start from both teams, well done girls.

Miss Marsh

HOUSE POINTS

Rowling	3880
Attenborough	3832
Da Vinci	3763
Dyson	3681

The Top four earners are:-

Millie P in Year 5 , Hannah P in Year 6

Maddie P in Year 7 and Barnaby D in Year 8

Well done to Rowling House this week!

YEAR 6 TOPIC

Last week, Year 6 had a visit from a personal trainer from The Junction to kick start their new topic 'Waist not, want not'. With enthusiasm, the pupils quickly warmed-up and took part in a range of fitness exercises led by the instructor. As they carried out their workout, they reflected on the effect the exercise was having on their body. All pupils (and staff) had a thoroughly enjoyable morning and were suitably excited about the new topic, where they will be learning about the body and designing and making a healthy snack bar.

Miss Swann

Dates for your Diary...

25th January—Roman Day, Year 5

6th February—Safer Internet Day

27 February—Parents Evening

1st March—Parents Evening and World Book Day

w/c 5th March—Careers Week

w/c 19 March—Year 7 French Trip

Reminders...

Don't forget we host a Karate Club in the school hall on Mondays from 5.00pm till 6.00pm. The Sama Organisation teach traditional **non-contact** karate in schools. More details and forms can be obtained from the school office.
