CASTLEMAN ACADEMY TRUST

School Closure Policy

It is the policy of the Castleman Academy Trust that schools will always be open if the Health and Safety of the school community will not be compromised by doing so. The school community includes the children, their families, the staff and their families. When the decision to close the school is made it is taken after consultation with the Estates Manager, the Headteacher and the Chief Executive Officer. At times the Heads of Springdale First School and Corfe Hills School will also be consulted in order ensure a consistent and co-ordinated approach in the Pyramid.

All staff are under CAT Employment Policies and Procedures, which state

24.0 [Bad Weather Conditions or Serious Disruption to Transport Arrangements or Similar Emergency](#)

24.1 Where as a result of bad weather conditions, or advice from the emergency services, or a serious disruption to their transport arrangements (e.g. national petrol shortage, disruption to public transport) employees are prevented from getting to work in spite of having made a real effort to do so or to avoid pressure/duress in trying to get to work, at the discretion of the Governing Body depending on the circumstances of each case, the lost time will be treated as either paid or unpaid leave.

If the school is closed, staff will still be expected to report their duties if it is safe to do so. If staff who do not attend for work due to bad weather or school closure, the decision to allow them to take unpaid leave lies with the Headteacher.

However, the Headteacher can also offer time in lieu as an alternative to leave without pay. This decision will be made in consultation with staff at the time. It is not possible to offer teaching staff this option as they are required to be in school with their class during term time. If a staff member is not able to attend for duties for Health and Safety reasons, the Headteacher may authorise them working from home. This decision will be made on an individual basis.

CAT acknowledges that at times family commitments make it difficult to attend for work, particularly in the case of inclement weather. All staff are under Trust guidelines and policy with regard to dependent leave. This states

12.0 [Dependant/Compassionate Leave](#)

12.1 Employees have a statutory right to take reasonable unpaid time off in order to deal with a range of events affecting a dependant (“Dependant Leave”). This is to deal with certain unexpected or sudden emergencies and to make any necessary longer-term arrangements for the dependant to be cared for.

12.2 A “dependant” is the spouse, partner (including same sex partner), child or parent of the employee or a relative living in the same household. It may also be someone who reasonably relies on the employee for assistance and arrangements for the provision of care but is not necessarily related or living in the same household, e.g. an elderly neighbour.

12.3 The school may consider granting up to 3 days of paid leave a year to care for a dependant, any other time off to care for a dependant will be treated as unpaid leave. Whilst by its very nature it is usually not possible to give notice of dependant leave, employees are asked to notify their manager as early as possible, preferably within 30 minutes of their normal starting time on the first day of absence. Employees

who have contracts for 52 weeks of the year may consider requesting the time as annual leave rather than unpaid leave.

Our staff are entitled to the above. The school also offers the opportunity to staff bringing their children into school with them provided they are not ill. If childcare is an issue for staff, their children are welcome to attend with their parents.

This policy will be reviewed bi-annually.

Equality Impact Assessment

This policy has been reviewed with the equality impact considerations as laid down in the school's Equality Policy.
