

9th September 2022

Dear Parents and Carers,

Year 7 PE Timetable – Autumn Term

Welcome back, I hope you all had a wonderful summer!

I have attached the PE timetable, on the next page, for all year 7 classes for the Autumn Term. Due to the number of classes in each year group, we offer a rotation of the sports. Each class will take part in each sport at a different time, but all children will have the opportunity to experience all sports offered over the year.

Children will be required to have gum shields and shin pads for all hockey lessons, and will need gum shields for rugby lessons. Please check your child's class timetable so they know when to bring their equipment.

For cross country, no extra equipment is required, however, should they wish to bring spare socks and trainers in case it is wet or muddy under-foot, they can do so.

For football, we suggest that they have football boots if possible as they will be playing on the field, however, if this is not possible, trainers are also fine.

We aim to offer a breadth of sport options, and we hope the children are excited to try the full range!

If you have any further queries, please do not hesitate to contact me.

Yours sincerely,

Miss S Matthews
