## Walk to School Week

## Awesome Archie

Archie and his mum, Rebecca have been nominated for the Radio Solent's 'Make a Difference' awards. Archie and Rebecca created Awesome Archie which is a non-profit charity which focuses on advocating and support neurodivergent children. They work within schools to empower and share experiences as well as supporting parents. Archie and Rebecca have been nominated by the people that they helped and have made it to the final four for their service in volunteering with the neurodiverse community. Well Done to both Archie and Rebecca. Their work is so important, and it is great that they are being recognised for their impact. ## Parent Communications...

### A Big Thank You

We would like to give a big shout out to all of our parent helpers who have helped with school trips so far this year. Without your support these trips would not be able to run, so a massive thank you to you all!

### Trip Payments

We absolutely love taking the children out on trips and having visitors into school to support with their learning. We are able to offer a huge variety of different activities. However, we rely on parent contributions to allow these trips to continue running. Please check your WEDUC app to see if you have missed these payments.
