

SNAPSHOTS OF THE WEEK

Week: 6th to 10th March 2023

BROADSTONE
MIDDLE SCHOOL

National Careers Week

This week has been National Careers Week (NCW). The children have been taking part in careers related activities during their tutor times throughout the week. KS2 have created their future mind maps and considered their goals and aspirations. KS3 watched a 'HOPE' video where students were discussing their future options and GCSE choices. There is more resources and information about NCW online, go to: www.nationalcareersweek.com

Year 8 Civil Rights Movement

In Year 8 History we have been learning about the Civil Rights Movement of 1954 to 1968 in the United States and how it set out to abolish institutional racial segregation. This week they have been re-enacting the Greensboro Sit Ins and putting themselves in the shoes of the four Black university students who dared to sit in the "White" section of a segregated lunch counter in Woolworths. Prior to this week, they have also spent time learning about other significant events of the Civil Rights Movement such as Brown V Board, Rosa Parks, The Case of Emmett Till and The Little Rock Nine. We have been so proud of how our learners have approached this module of learning as they have been astounded by the hatred the Black community received in the Southern States of America particularly during this time. The big question is, did the Civil Rights Movement Achieve what it set out to do?

Healthy cookies

This week Year 6 have been making healthy cookies as part of our unit 'Healthy Body, Healthy Mind'. They have shown brilliant baking skills and awareness of the importance of making healthy choices. A range of ingredients such as fruit, oats, yoghurt, chocolate and more were used and all the cookies were delicious! Some future bakers in the making!

BMS Superheroes

Our eco-warriors have made some fantastic bird feeders from egg boxes, string and milk cartons. Bird feeders are an amazing way to get in touch with nature. There are other surprising benefits such as garden flower pollination, reduction of weeds and keeping birds close to their young.

Timestable Rockstars

This week's winning classes in KS2 are 5Z (highest points), 5W, 5Y, 6X and 6Z.

This week's winning classes in KS3 are 7W (highest points), 7X, 7Z, 7T, 8X, 8W, 8T and 8Z.

Archie S 5X	Evie P 6Z
Hao H 7W	Yazmin P 8Z

All students in winning classes will receive 3 house points each! The top scorers in each class are listed above and will receive a privilege pass!

Upcoming Events/ Key Dates

Scholastic Book Fair

We are excited that the book fair will be coming to school again on Friday 17 March and will be open at lunchtime, as well as after School 15.20-16.00 for students to purchase books.

E-Safety

We know that technology has a powerful presence in today's world. There is so much positivity to this but our children's access and use of technology can bring challenges and risks. As part of our ongoing e-safety provision, we will be sending home useful guides each week alongside the Snapshot. These will focus around supporting children to make informed and safe decisions around using online apps as well as specific guides to using apps safely.
