

SNAPSHOTS OF THE WEEK

Week: 17th to 21st April 2023

Passionate about PE!

We have had a brilliant first week back in PE! The sun has been shining, Fitness week has been in full flow, and many Cross Country PBs have been broken - the children have put in an incredible effort! Alongside this, Wessex Volleyball have been in to lead a Volleyball taster day with year 8, who loved trying out some new skills. Our KS3 girls had a fantastic afternoon at the Girls Rugby Development Day in Wareham and we couldn't be prouder of their efforts! After a carousel of activities lead by Bath Rugby, they entered into games against other schools, with some of them having a go at contact rugby too! They all worked so hard, and their learning from rugby lessons really shone - an absolute credit to the school! We hope to see some more girls representing at rugby club after school on a Friday soon.

AECC STEM trip

Some of our Y8 students had the opportunity to take part in a STEM activity event, which was run by AECC University College. The event involved 4 workshops; including Maths Roadshow, Sports Psychology and Chiropractic Workshop. Thank you Mrs Penwarden for organising such a great event for our students to be involved with.

BMS Superheroes

This week our superheroes are both taekwondo champions!

Paige V in 8W won gold in two competitions over the last week in her age category. These wins were in the North West Open and she also travelled abroad to compete in the Spanish Open. Thomas D 6X took part in his first Inter-Club tournament on Saturday in Hampshire. He achieved a Gold and Bronze medals for Patterns. We are incredibly proud of both of them for their achievements.

UBC

The children have enjoyed getting back into their UBC groups this week. We are looking forward to outcome day so they can show off what they have been doing. Here is Ruby with her chocolate pasta!

Parent Communications...

Careers Fayre

We would like to invite our Parents & Carers to come along and host a stand at our upcoming Careers Fair at Broadstone Middle School. This is taking place on **Wednesday 7th June from 9.30am – 1pm**. We're keen to encourage all our students, whatever their age, to find out as much about the world of work and future options as they can. This event is a key part of:

- Allowing the students to network with local professionals
- Raising awareness of all the possibilities that are open to them in the future
- Helping them to identify what subjects might be most useful
- Enabling the students to take information home and discuss with families

If you can support on the day please contact the school office to register your interest.
