

SNAPSHOTS OF THE WEEK

Week: 14th to 18th November 2022

UBC Outcome Day

Thank you to everyone that was able to attend UBC outcome to see the fantastic outcomes the pupils had been working on in their groups. We had an incredible 425 visitors there was an amazing buzz around school! The children were outstanding and so proud to show off what they had been working so hard on. We are so proud of them all from our newly crowned Chess Champion Matthew W to our creative interior and trainer designers. The final pieces were high quality and reflected the efforts the children had put into them. It was wonderful to be able to have so many visitors back on school site and we look forward to welcoming you again for our next UBC outcome on Thursday 2nd February.

Year 7 Art

Year 7 have been working hard on their Henri Rousseau inspired Jungles. The groups have been developing their own story and bringing it to life in water colour and collage.

Eco Tip

Each week as part of our Eco Schools agenda we will be providing a weekly eco tip for families! This week's one is 'When on the internet, use the search engine that plants trees, also known as Ecosia. It donates 80% of its profits to a tree planting project in Burkina Faso.'

Netball Fixture

Year 5 and 6 played their very first school netball tournament this week! Although they were up against more experienced teams, they did an incredible job and should be extremely proud. They put into action some of the skills they have been working on at netball club, such as accurate passing, strong defending and teamwork, and they played some brilliant netball! We can't wait to see how they progress in future tournaments.

BMS Superheroes

Ben W in 7T took part in his first parade last weekend for Remembrance Sunday. He has only been an army cadet for 6 weeks and really wanted to take part in the remembrance parade. We are all very proud of him for being part of this and the qualities he has shown.

Upcoming Events/ Key Dates

- PTA Quiz Night 18th Nov**
- INSET Day 21st Nov**
