

# SNAPSHOTS OF THE WEEK

Week: 20th to 24th March 2023

## Year 8 Circus and Noughts and Crosses

Our year 8 students had a fantastic day yesterday visiting Jay Millers circus in Verwood in the morning as part of their Performing Acts curriculum. They then went onto the Lighthouse in the afternoon to see a performance of Noughts and Crosses as part of their English curriculum. Both trips provided an excellent opportunity for the children to experience a live performance. A massive thank you to Jay Millers for having us, it's been a fantastic experience for the children and they thoroughly enjoyed it! If anyone would like to take the opportunity to go and see it they will be performing in Verwood until after the weekend.

## Year 6 Quest

Year 6 completed their Quest this week in their topic 'Healthy Body, Healthy Mind'. We visited the Food Tech room again having designed a healthy snack, building on our work on the food groups and staying healthy. The children showed great teamwork again and also developed some crucial cookery and food preparation skills during the Quest. They prepared some very healthy snacks, then produced an information leaflet summarising their learning on this topic. We hope some of the healthy snacks made their way home to parents to try!

## BMS Superheroes

Jayden T 6X has been part of a tennis elite team training at the National Development Centre in Bath. As he has shown great skills he has been invited back more regularly to train with his sponsor. This week Jayden met Judy Murray and had a coaching session with her as part of his elite day. We are incredibly proud of his achievements!
