

SNAPSHOTS OF THE WEEK

Week: 23rd to 27th January 2023

Travel Trackers

This week, the children who are taking on their school responsibility as Travel Trackers received some online training from Grace at Living Streets. They are now Travel Tracker Ambassadors - well done! The children learnt about different active ways to come to school and were shown how to use the online tracking system. Travel Tracker will launch 1st February and the Ambassadors will start tracking active travel journeys from children in their class. They will then hand out the February badges at the end of the month for anyone who has travelled to or from school actively, once a week, every week in February!

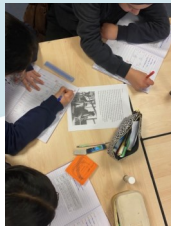

Eco Tip

Get up to 50p off your hot drink with a reusable cup. You can save money by taking your own cup to cafés and coffee shops. Stores will accept any brand of cup, so if you have a reusable Starbucks cup, you can still use this to get a discount at Pret a Manger, and so on.

Year 8 Historians

Year 8 have been investigating the real story of Rosa Parks. They have been analysing sources like real historians do and evaluating which sources are reliable and useful using the Nature, Origin, Purpose framework. They have discovered there have been some alterations to the actual facts of the case of Rosa Parks which has caused quite a stir! It's so good to hear them thinking like real historians.

BMS Superheroes

The Year 5/6 boys football team played a County Cup match against Oakdale Junior School this week and in a hard-fought game narrowly went down to a 4-3 defeat. The boys played some great football, scoring three tremendous goals through Max, Ben and Olly. They showed tremendous team spirit throughout and didn't give up, scoring our third just near the end but running out of time to find the equaliser. Well done, boys, you did the school proud. Thank you to Mr Savage for taking the boys and cheering them on throughout the game!

Car Park

Please note the car park is only open to permit holders in the mornings and afternoons. Please can we ask you to display or show your permits on arrival. Please also avoid dropping off on the school zig zags for safety reasons and be mindful of our local residents and private roads when dropping off.

Inter-House Competition

We are collecting items in preparation for our end of half term inter-house competition; if you have any cardboard, food packaging, magazines or other useful items for junk modelling, in our house colours (red, purple, yellow and green), please could children bring in these items by Wednesday 8th Feb. Children can bring these items to Mr Petricca in room 6. Thank you in advance!
