

# SNAPSHOTS OF THE WEEK

Week: 5th to 9th June 2023

## Summer Art Competition

We have an internal art competition open to all years here at BMS. Miss Matthews is asking students to create an art piece with the theme 'The Journey'. To accompany the art piece, they will need to submit a short piece of writing/a video/a story explaining the idea behind it and how you have made it. This will need to please be submitted to Miss Matthews in the art room by Friday 16th June. Good luck!

## Authentic Learning Project

On Friday 16<sup>th</sup> June at 2:40, year 7 will be hosting their outcome for the authentic learning project. They have been very busy designing, baking and creating different ideas for their stalls. They are all really excited and would love to see as many visitors as possible. Please could you remind your children to bring in some money to spend. All profits will go towards visitors/trips for next year's PSHE lesson.

## TGBDO

On Thursday 8th June our KS2 pupils travelled to Oxford to take part in the National Finals of The Great Big Dance Off. The pupils were outstanding and delivered an exceptional performance opening the finals and placed 9<sup>th</sup> out of 31 schools in the UK – amazing result!

## Bournemouth Seafront Trip

Before Half Term Year 8 students attended a fieldtrip to Bournemouth Seafront and Gardens as part of their Geography unit on Tourism. They were investigating the attractiveness of Bournemouth as a tourist destination. They were also surveying members of the public about their perceptions of Bournemouth. The day went well with fantastic weather and the students were eager to get to work. Their performance during the trip was great and their willingness to get the required work done was top notch. Our students represented our school fantastically, and the reaction from the public was overwhelmingly positive. Now all that remains is for them to use the data they collected to create their reports on Bournemouth.

Well done!

## BMS Superheroes

On Monday we enjoyed having whole key stage celebration assemblies outside in the sunshine. It was lovely to get together and acknowledge the participation, achievements and fundraising efforts for the fun run. We also celebrated those students who are consistently going above and beyond and achieved a RISE award for the last half term. We are exploring additional ways we can celebrate achievements and positive efforts of our students so please encourage your children to share any ideas they have with their form tutor or Mrs Barter!
