

SNAPSHOTS OF THE WEEK

Week: 10th to 14th October 2022

Year 6 Quest Speeches

In Year 6 this week, the children completed their Quest project, which involved working together to produce a manifesto delivered as a speech about climate change and how we can work together to help the environment both globally and also at BMS. For our final speeches, Miss Palmer came around to hear the passionate speeches delivered. Miss Palmer was impressed with both the content of the speeches and also the persuasive techniques and committed delivery! We are hoping to input some of the ideas about how the school can play its part in helping the environment. The children showed great teamwork and speech-writing skills, using the knowledge they had developed in this topic. Well done Year 6!

Geography Walks Year 7 Authentic Learning

Over the last two weeks, Year 7 Geography students have been creating a Walks of Broadstone Booklet which has involved applying their compass and map skills to their Authentic Learning Project about their community and local area. We are really impressed with their knowledge and understanding.

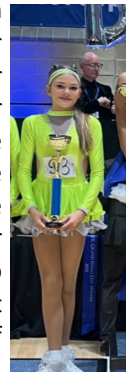

Author Visit

Key Stage 2 were treated to a special visit from author E.R. Reilly, who spoke about the various books he has written and also gave lots of useful tips about how to become an author. The children were excited to have a real author in school and asked him some excellent questions about the life of being an author, including asking about how he develops ideas for a story and the overall writing process. The children were enthused about the plots of many of his books, such as *The British Spy School* and *The Lookouts* and children had the chance to purchase a signed copy of his books.

BMS Superheroes

Congratulations to Mia who took part in the Regional ISTD dance competitions earlier in the year which qualified her for the England National finals. These took place last weekend in Guildford. Mia achieved 2nd place in England for both her rock & roll dance & her pairs dance with her dance partner. We are so proud of Mia! We love to celebrate the successes of our students so please do let us know about achievements outside of school.

Upcoming Events/ Key Dates

- Paris Information Evening 17th Oct
- Year 7 History Corfe Castle Trip 20th Oct
- Year 6 Mock SATS w/c 7th Nov
- Year 8 Geography River Stour Trip 8th Nov
