

SNAPSHOTS OF THE WEEK

Week: 15th to 19th May 2023

Tank Museum Trip

Year 7 had a wonderful visit to the Tank Museum on Thursday to learn about Trench Warfare and Medicine on the Western Front as part of their authentic learning project on World War 1. Keep an eye out for our invites to see our "World War 1: The Story of War in ten pictures: The Soldier's experience" taking place at the Broadstone British Legion in July. We had such great feedback from the Tank Museum who said our children were like Year 9s both in their knowledge and their behaviour. Well done, Year 7!

Ben plays for Cobhams U12s football team and has recently been made captain. This weekend they had their presentation day to celebrate the end of season and Ben was awarded with 'Managers Player Award'.

Annabelle S 5W deserves a special mention for her bell ringing as part of the coronation celebrations!

Great Greeks!

Well done to all Year 5 students for taking part in the Great Greeks sports event. We welcomed Year 4 students from Broadstone First School and our Year 5s did an excellent job teaching them their ancient Greek Olympic sports and organising the recording of their scores and timings. The Year 5s were motivational and taught the Year 4s all about perseverance and working towards a goal. The staff from the First School were very impressed with how well our students worked together and their behaviour. A massive well done!

BMS Superheroes

Maisie L, Maddy K, Jasmine G, Tilly L and Cheynee P all performed at His Majesty's Theatre in London on 14th May with their dance school Mainstage Performing Arts as part of the Take the Bow production company. This was a great experience for them all to perform in a West End theatre, and their performance was slick and professional!
