

SNAPSHOTS OF THE WEEK

Week: 31st October to 4th November 2022

Year 8 STEM Challenge Day - Poole Maritime Festival

Some of our Y8 pupils took part in a Marine themed STEM day organised by BCP Council. The day was filled with teambuilding and problem solving activities around marine engineering, and one of our own BMS teams were the winners of the challenge which was set out and judged by local Maritime businesses.

RISE Awards

This week KS2 received their RISE awards and certificates in assembly. These are for students who have gone above and beyond and shown qualities such as resilience, leadership and supporting their peers. All KS2 and KS3 students who received a RISE award also had a celebration event on Thursday afternoon involving Bear Grylls and popcorn!

Corfe Castle Trip

Year 7 had an authentic learning experience just before half term as they explored Corfe Castle to understand how William the Conqueror used castles to control England after he became King of England in 1066. The weather was typically British to start with but soon brightened and a rainbow formed as the train steamed past. Ask a Year 7 what type of castles the Normans built; need a nudge to remember? M___ and B___ with a K___ on the top.

BMS Superheroes

Maisie L, Maddy K and Jasmine G all had the amazing opportunity in half term to perform with their dance school Mainstage Performing Arts on the Videopolis stage in Disneyland Paris. Their performance was professional, energetic and they were absolutely fantastic! They also managed to have 3 awesome days at the park going on the rides. A tiring but rewarding experience!
