Paying Tribute to our Queen

Today, we paid tribute to our Queen and her remarkable reign. We came together as a school community in a moment of reflection to celebrate her life, and all she achieved as our longest serving monarch. Our pupils showed the upmost respect and were mature in their response, we are very proud of them all.

1926 to 2022**

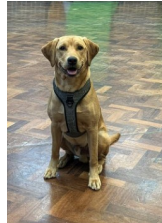

Start of Term

We have loved meeting the new children this week and welcoming back our current students. On Monday all students had welcome assemblies with Miss Palmer and Mrs Barter.

Rory

Rory is our school dog and is 18 months old. He has been undergoing training since he started with us at BMS and is taking exams to help him in his role as a school dog. Sometimes he can still very much be a puppy as he is still learning, but he loves children and coming to school everyday!

BMS Superheroes

Each week we love to celebrate the achievements of superhero students so please let us know of your child's achievements. This week we celebrate Jayden T who competed in his first international tennis tournament; a TenPro global tour in Paris. Jayden came 4th in his age group and 3rd in the age group above which is amazing! Well done Jayden!

Year 5 Metacognition

Year 5 students have enjoyed studying metacognitive strategies to help their learning. We have been extremely impressed with their retrieval of key learning through using these new techniques. The Curriculum and Knowledge Organiser evening will identify these strategies and ways in which you can support your child with their home learning.

Year 7

Year 7 students have been enjoying meeting new teachers and rotating around school for different subjects. We have been impressed with how quickly they have settled into their new timetable.

Timestable Rockstars

Timestable Rockstars is a great way for children to practice their maths but also compete against other classes across school! We would encourage you to support your children with accessing Timestable Rockstars at home as part of their home learning.

Open Evening

Open Evening is coming up on 22nd September for prospective new students and we would love as many of our current students to get involved and volunteer to help on the evening as possible. This could be as tour guides or supporting a specific subject. Please encourage your children to sign up with their class teacher or tutor if they are able to help.

School Photographs

Please can we ask that year 8 students attend in uniform rather than their PE kit on photograph day.

UBC

If anyone has any old digital cameras which they no longer need, please can we have them for UBC
