#BLANKCANVAS

Discover the history of tattoos / body art and learn all about the different types and techniques that are used by tattoo artists all over the world. Each week you will have a go at designing your very own pieces of body artwork.

Broadstone Jewellers

- ❖ Learn how to make beaded necklaces and bracelets
- ❖ Study different techniques
- ❖ Be CREATIVE and design different patterns
- ❖ Design your own brand and packaging
 - ❖ Suitable for everyone!

Outcome: Pop up jewellery shop

Build a business

Do you have what it takes to become a future entrepreneur?

Learn the necessary skills of entrepreneurship from product design to exploring engaging marketing techniques and content creation.

Great at spotting clues?

Enjoy stories?

Good at solving problems?

Can You Escape?

Like puzzles & mysteries?

Join Can you Escape to create your very own escape room game and puzzles.

Cappuccino with extra Italian?

Are you a complete beginner, quite fluent or somewhere in between?

Learn how to speak or improve your Italian!

You will explore Italian culture and have a taste of Italy!

You will have access to audio and video, including phrases, the Italian alphabet, vocabulary, pronunciation, grammar, fun activities and much more!

A real guide to streetwise Italian!

Arrivederci a tutti! Ci vediamo presto!

Card Games

Learn how to play some of the world's most famous and fun card games:

Rummy

Hearts

Skip-Bo

Spoons

Uno

Whist

and more ...

Chess Masters!

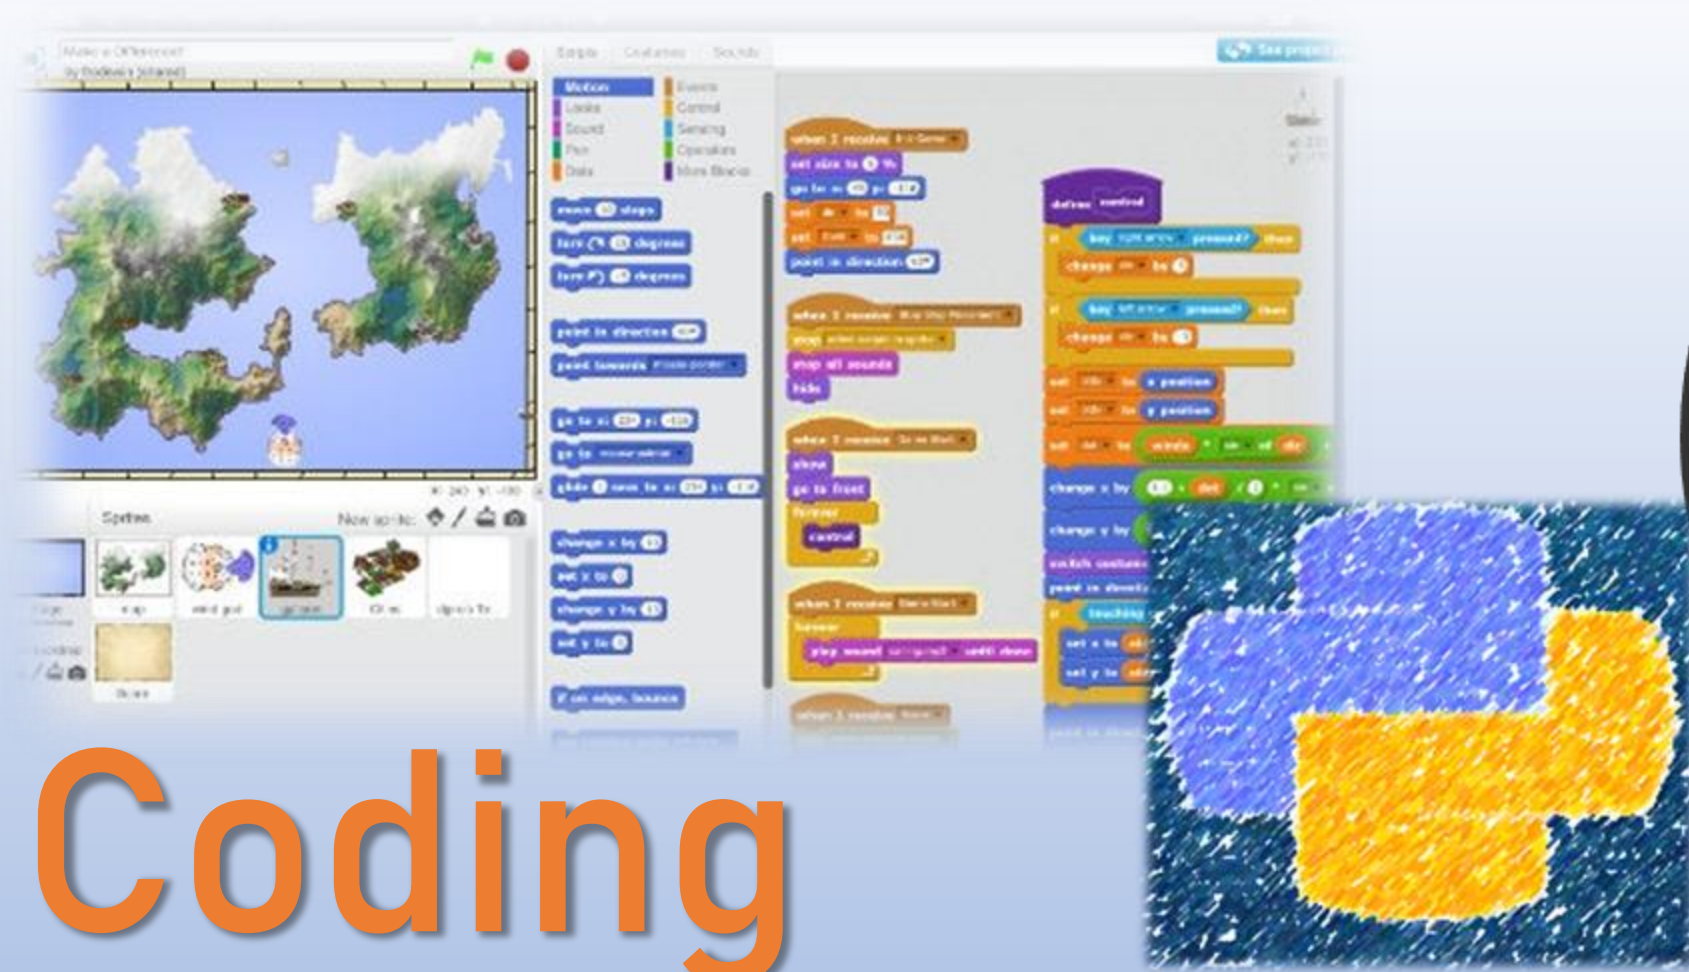

Do you want to learn how to play chess or improve in your skills?
In Chess Masters we will learn how to play chess, develop some tactics and strategies, and play in a tournament to pit our wits against each other!

(Disclaimer: Neither Messi nor CR7 will be there in person)

**OPEN TO
BEGINNERS AND
GRANDMASTERS!**
(that's a chess joke right there, people)

Coding

Create your own platform games, arcade games and racing games on Scratch.

Take your coding skills to the next level with Python.

Creative Clay Workshop

Are you an **aspiring artist**?

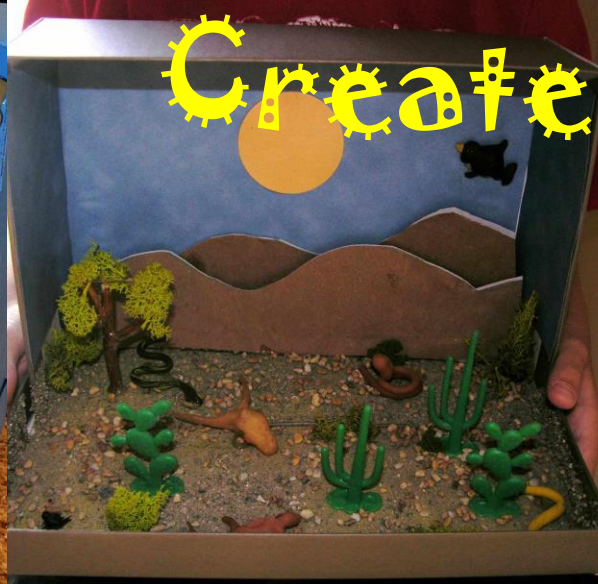

Have you ever wanted to **explore your creative side**?

Do you like **working with your hands**?

Then the Creative Clay Workshop is the **perfect course** for you.

Learn **clay modelling, sculpting and joining techniques**, build on previous experiences and **develop new skills**. Suitable for both beginners and those who wish to develop their skills further and create more complex designs. Translate your creative ideas into **pottery masterpieces to exhibit** in our final showcase.

Create a diorama

A diorama can be a mini model of a scene or sometimes a habitat or environment.

You will:

- Research what you want in your diorama.
- Plan it and sketch out the design.
- Decide on the materials and colours.
- Create the diorama using different skills.
- Write a descriptive speech to explain your diorama.

Outcome: Create a diorama of your chosen theme.

- ❖ *Explore the history of dream catchers*
- ❖ *Design and make your own*
- ❖ *Create a shop and sell your creations on UBC Outcome day*

Broadstone Dreamcatchers

May all your dreams come true...

Fantasy cartography

“What is a fantasy map but a space beyond which There Be Dragons?”

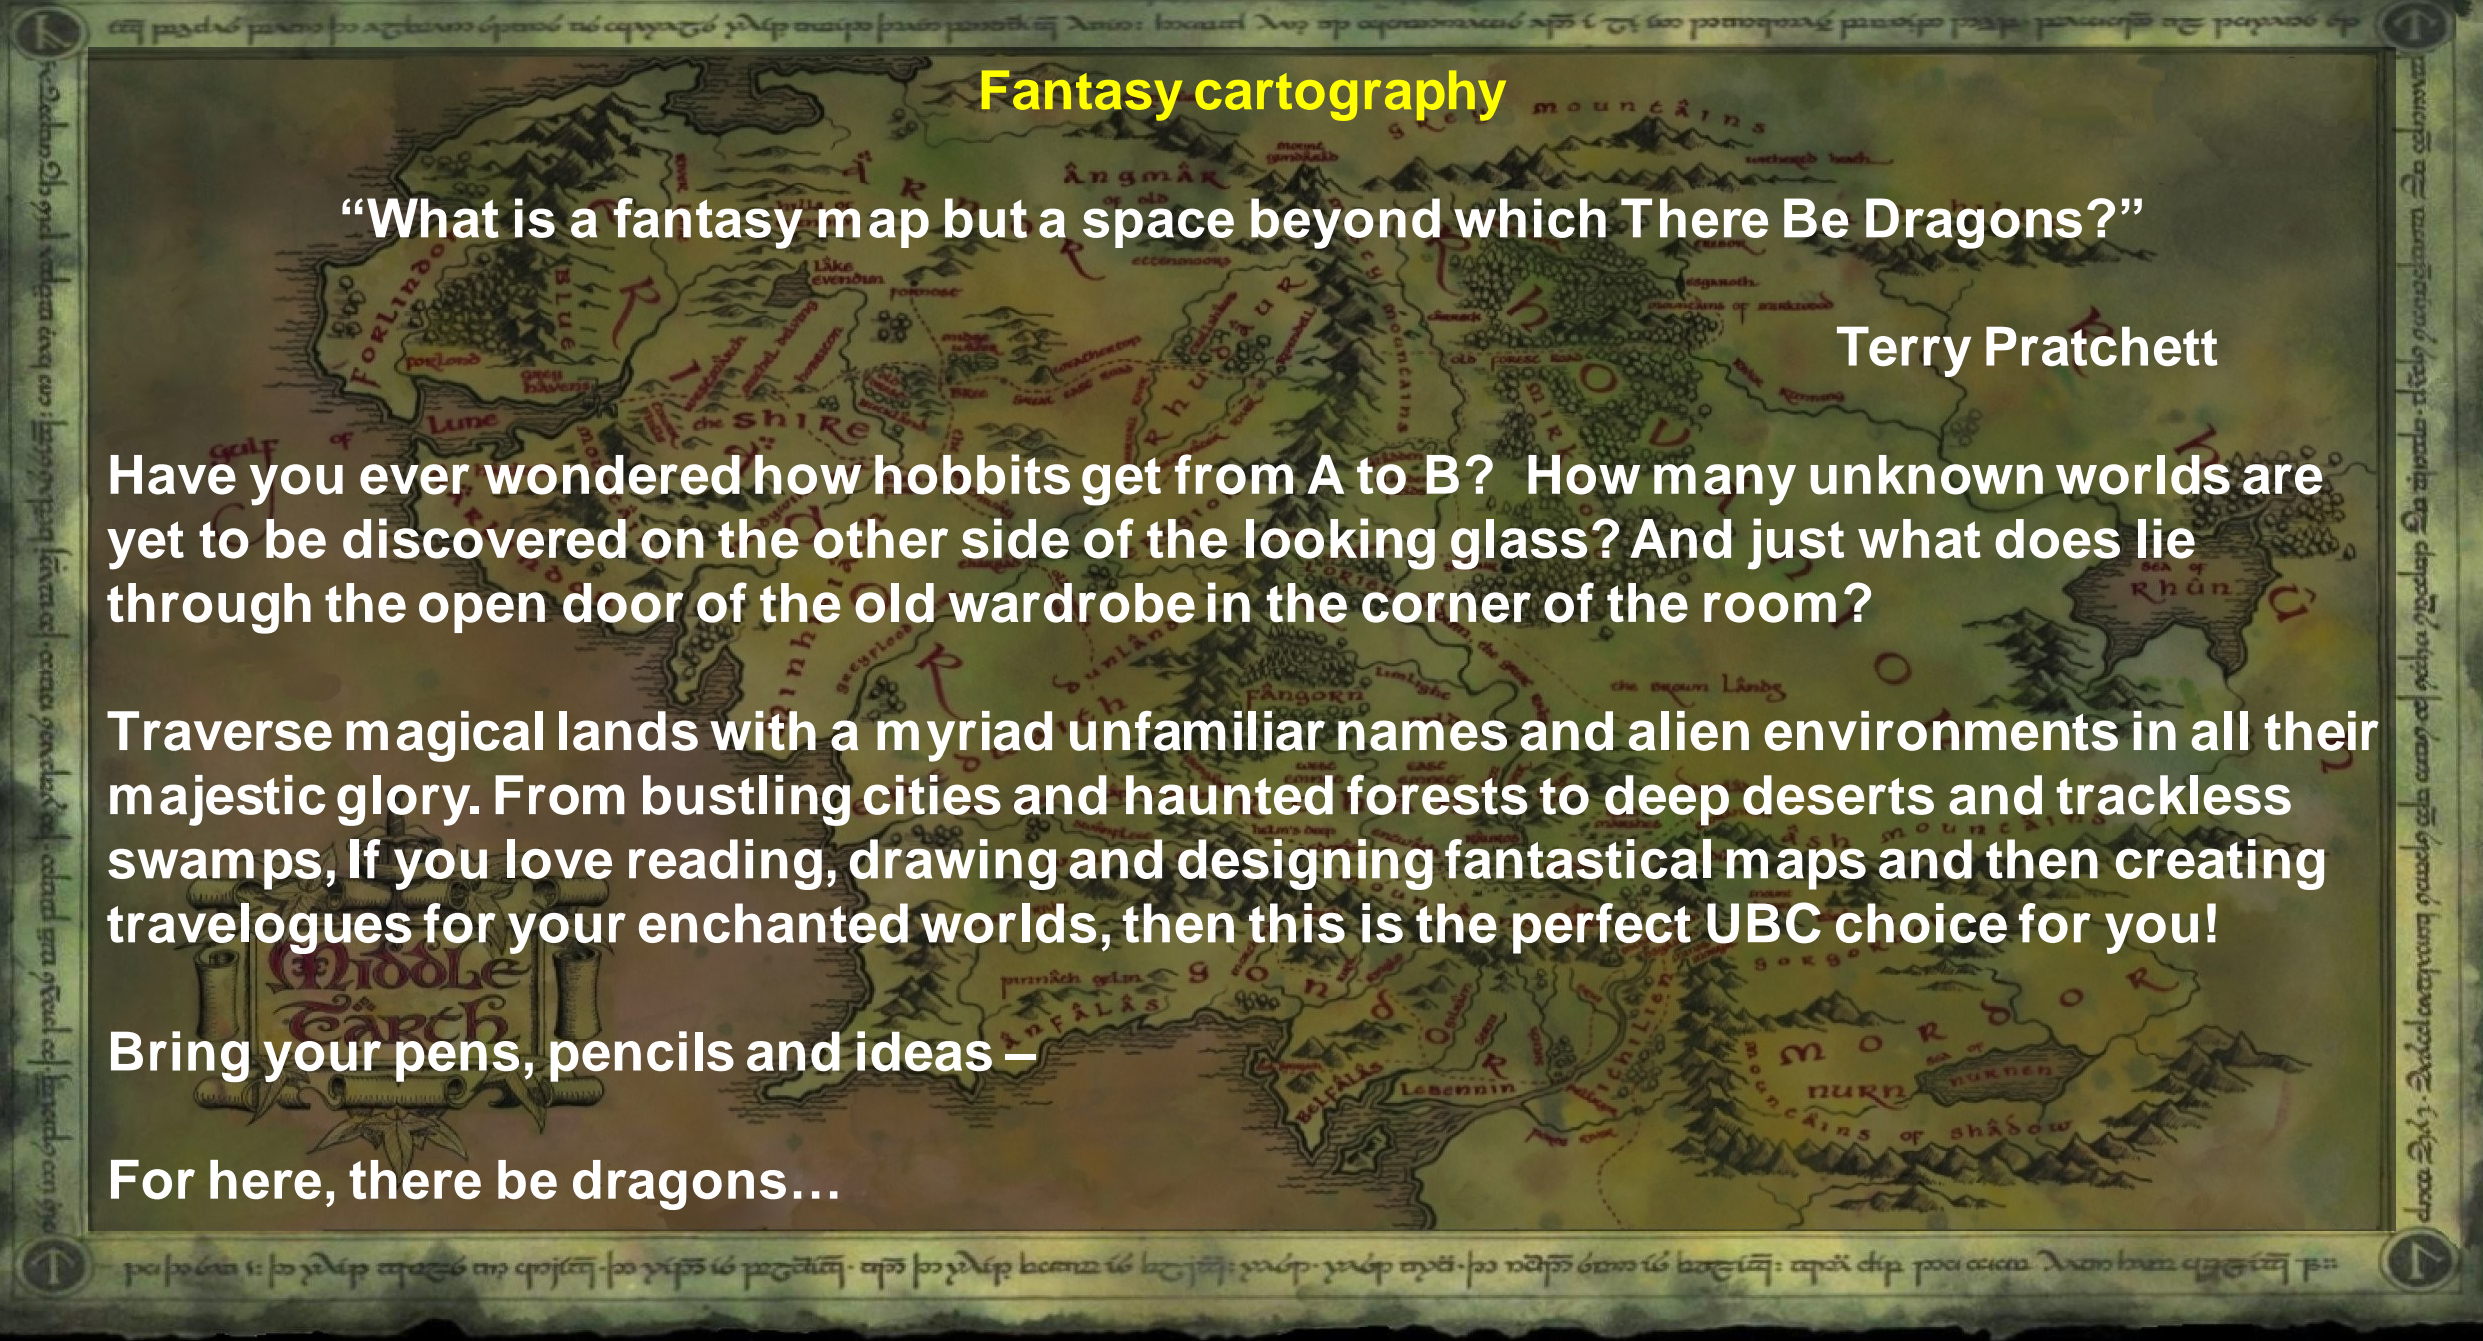

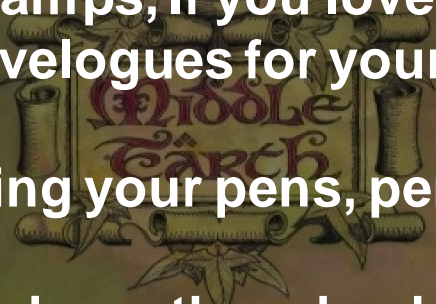

Terry Pratchett

Have you ever wondered how hobbits get from A to B? How many unknown worlds are yet to be discovered on the other side of the looking glass? And just what does lie through the open door of the old wardrobe in the corner of the room?

Traverse magical lands with a myriad unfamiliar names and alien environments in all their majestic glory. From bustling cities and haunted forests to deep deserts and trackless swamps, If you love reading, drawing and designing fantastical maps and then creating travelogues for your enchanted worlds, then this is the perfect UBC choice for you!

Bring your pens, pencils and ideas –

For here, there be dragons...

FIRST AID

*LEARN THE BASICS OF
FIRST AID TO BECOME
CONFIDENT IN DEALING
WITH FIRST AID
SITUATIONS.*

YOU WILL LEARN...

- TO UNDERSTAND WHAT FIRST AID IS
- HOW TO KEEP CALM AND SAFE
- TAKE PART IN ACTIVITIES TO PRACTISE A RANGE OF FIRST AID SKILLS
