

SNAPSHOTS OF THE WEEK

Week: 6th—10th November 2023

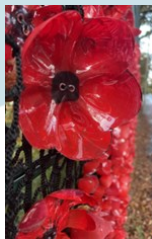

KS3 Map Reading

This term in Key Stage 3 Geography we have been learning about navigation. Our Year 7 students have learnt how to use maps and compasses in class. This week, they have been practicing using them to navigate around the school site. This is all preparation for an upcoming navigation activity that will be taking place on the heath.

Tank Museum

Year 7 visited the Tank Museum at Bovington last week. Not only did they visit a reconstruction of a WW1 Trench and learn about everyday life for the soldiers, they also participated in a workshop detailing the incredible medical advancements of the time and how they went on to impact our world today. The pupils were an absolute credit to the school proving both inquisitive and knowledgeable, with museum staff as well as members of the public complimenting them on their exceptional politeness and behaviour as well as their awesome subject knowledge. Well done Year 7!

Timestable Rockstars

TTRS results will be back next week.

Year 5/6 Girls Football Matches

The Year 5/6 Girls Football team played their first two football matches last week. We visited Canford Heath Junior School to play against Canford Heath and Haymoor Junior School. In rainy conditions and on a tricky, boggy pitch, the girls made a phenomenal effort and produced some great football, continuing to build the skills they have been developing in training. We scored some great goals, and were unlucky to end with two close 4-3 defeats. The girls were rightly very proud of their efforts and were upbeat about the great play they produced. Well done, girls.

Poppy Display

We are so very pleased to have our poppies and remembrance garden on display at the front of the school in honour of the heroes who fought and continue to fight so courageously for our country. Thank you to all that donated plastic bottles and all the children and adults across the school who have worked so hard to make the display have the impact that it does in time for Remembrance Day. Thank you also to Stewarts Garden Centre for the donations and the continued support and contributions from the Royal British Legion.

Upcoming Events / Key Dates

- 17th November— Children in Need day
- 21st November—Book Look evening 3.30—6.30pm
