Celebrating our Positive Action Volunteers

Our first reward and incentive took place on Thursday this week. 19 students thoroughly enjoyed a workshop at Pizza Express in Bourne-mouth. Students enjoyed learning about some cooking basics, kneading and topping a pizza, discovering different ingredients and eating their pizza creation. It was a wonderful celebration for those students who have begun to engage in the Positive Volunteer Action programme since launching it. Students also had the opportunity to talk to one another about the joys and challenges within their voluntary placements. Well done to all our PAV students. Students across the school are welcome to join the programme at any time by speaking to the following members of staff; Year 5- Miss Burbidge, Year 6- Miss Harris, Year 7- Miss Warren, Year 8- Mrs Gross.

Cross Country

During the initial week following the Easter break, students will engage in Cross Country running as part of their Physical Education curriculum. This presents an excellent chance for them to push their limits, appreciate the surrounding scenic school environment, and further enhance their physical fitness. We kindly request all students to bring spare shoes, socks, and optionally, trousers during their PE lessons. It's advisable for students to wear long trousers while running the course to prevent discomfort caused by the Gorse vegetation on the heath.

KS3 Math Sparx

Congratulations to 8W who had the biggest completion improvement vs the previous week with 69% (+20.7%). 8W took the title of highest average XP per student this week, with 553 XP – well done! 7U and 7T are once again leading the school ranking with the highest completion percentage for the week at 96% (7U) and 84% (7T). In the lead of top XP this week are Sophie J 7Z with an amazing 1260 and Mercedes O'S 8U with 1452—superb! Keep up the good work everyone.
