

SNAPSHOTS OF THE WEEK

Week: 16th—20th October 2023

BROADSTONE
MIDDLE SCHOOL

Lost Property

We will be displaying all of our unnamed lost property at the UBC outcome event on the 8th November to give you the chance to reclaim any of your child's missing items. If you are unable to attend the UBC outcome and would like to have a look through the lost property, please visit the school office.

Tuck Shop

Good news! The school tuck shop will start again on Friday 3rd November and will take place outside the music room for all key stages on a weekly basis.

Dorset Leadership Academy

On Tuesday the PE department took 14 exceptional leaders to the annual Dorset Leadership Academy held at Bryanston School. The students took part in a range of coaching and leadership opportunities to improve their overall organisational and coaching skills. Two students from BMS also took part in the dance academy in which they showcased their outstanding talents in a dance performance at the end of the day. All students should be incredibly proud of themselves. We look forward to seeing them progress further as leaders within the school.

Ordering School Lunches

Please note that if you wish to order school lunches for your child, these must be ordered by midnight on a Wednesday ready for the following week. In the case of school holidays, you will need to please order their lunches ready for our return to school by midnight on Wednesday of the week that we break up.

House Competitions

Today we have our first whole school house competition of the year! The children are working with those in either Attenborough, Da Vinci, Rowling or Dyson in their tutors to try and win first place in the team quiz this afternoon. We have also been running house competitions at social times which lots of staff have supported the children in! This has involved a football tournament and scoring the most basketball hoops. We will be running additional competitions throughout the year.

Travelling to School

Please can you remind your children about walking and scooting sensibly to and from school at all times as we have had some reports about unsafe behaviours. These have involved children running into the road or weaving between traffic. We have discussed this in school but a reminder from parents as well would back this message up. Thank you.

BMS Superheroes

We are incredibly proud of all students who put themselves forward to be part of High School Musical which is our whole school show we are putting on this year. We had over 160 students take part in these auditions and it has been wonderful to see them being so creative and performing in front of the staff panel.

Timestable Rockstars

This week's winning classes in KS2 are 6W (highest points), 6V, 6Y, 5Y and 5X. Congratulations!

Let the games begin to see who will come out on top next time!
