

# SNAPSHOTS OF THE WEEK

Week: 25th—29th September 2023

## Our New Head Boys and Girls

Congratulations to Emma W-S who is now Head Girl, Stanley M who is now Head Boy, and Leah W and Hayden W who are now Deputy Head Girl and Boy. Well done to all entries!

## Year 5 Quests!

For their Quest, Y5 have drawn self portraits and decorated their borders using colours and shape to represent feelings and emotions. They have all been displayed in the Y5 area and they are enjoying trying to spot their friends.

## KS2 Girls Football Club

KS2 Girls Football Club has started really well this year, with the girls inspired by England's Lionesses in the World Cup. The club is welcome to all abilities and the girls have already been building their skills over the first few weeks, dreaming of being the stars of the future! Great job girls.

## STEM Event at the RNLI

This week a group of Year 8 students were invited to the RNLI for a manufacturing experience day. Our students took part in three sessions consisting of a boat electrics activity, simulator experience of driving a lifeboat, and tour of the factory where lifeboats are made. There were also short talks from different members of the RNLI team to highlight careers in engineering. What a great experience!

## Sports Festivals

This year we have set up a new sport partnership with schools in our trust and across the local area. This week saw a festival of events across 4 sports, involving 5 different schools. We have had almost 180 learners developing their sporting skills, having fun and meeting their compatriots from other schools. We have had support from local sport clubs which has been invaluable. Well done to everybody that took part!

## Parent Communications

### Weduc Absence Reporting

Just to let you know, you can now report your child's absence via the Weduc app. Please ensure this is done by 9am on the day of absence. If they are unwell, please give details on the illness so that we can record it correctly.

### Reading Volunteers

We are on the lookout for a team of reading volunteers. If you are able to offer any time to come into school and read to our students, please let us know.

## Timestable Rockstars

This week's winning classes in KS2 are 6Z (highest points), 6Y, 5X, 6W and 6V. Congratulations for winning the first battle.

Let the games begin to see who will come out on top next time!
