## Welcome Evening

Thank you to everybody that came along to our welcome evening this week. It was great to see you so many of you!

## Year 6 Beach Clean

Last Friday, Year 6 visited Bourne-mouth Beach to complete a beach clean as part of our 'A Life on our Planet' module. They have been learning about their role in saving the future of our planet and were excited to be able to play their part by making sure our beaches were clean. The children were surprised to find that although at first the beaches looked clean, they actually found lots of smaller pieces of litter. They looked at the resources they found on the beach and discussed the impact these have on the environment. We ended the trip with an opportunity for the children to complete some beach art using the natural resources found on the beach. The children were an asset to the school. Well done Year 6!

## Shoebox Appeal

We have signed up to support 'Link to Hope', a charity who sends shoeboxes to those in need containing essential items to families and elderly people. There are many items required for the shoeboxes and we are aware that you may like to support the charity although completing a whole box may be too much. If you would like to send in some items and a shoebox we will create a full box at school. The completed shoeboxes need to be in school by Monday 5th November. If you are sending in items and not a complete box please could we have these by Friday 20th October. Thank you!

## Wimborne Model Town

On Tuesday, Key Stage 2 Link boys visited Wimborne Model Town and Gardens as a Community Engagement activity. Despite getting stuck in a bit of traffic, we had a brilliant time exploring the miniature buildings and displays of vintage toys. Please enjoy this photo of Mr Evans and the boys marvelling at the model village inside the model village inside the model village!
