

Snapshots of the Week

Week: 9th – 13th March

'This week in **Year 5**, the children have been busy staking out the competition, Stockholm. They have researched the physical and human features that helped Stockholm become such a popular tourist trap and collated these into an insightful non-chronological report. They are looking forward to comparing these features to Poole's own sights next week when they go on their harbour cruise trip.

This week **Year 6** have been completing and editing their stories. They have also been busy investigating electrical currents and circuits. They have learnt the different electrical symbols to recognise the different components so that they can make their own nightlight.

Upcoming Events

17th – 20th March Book Fair in the LRC (lunchtimes or 3.10-4.00pm)

17th – 19th March Year 5 Harbour Trip

19th March Social Hub Film Night
Wk Beginning 23rd March Failure Week

27th March Adults Quiz Night!

In **Year 7** this week, the pupils have been cooking up some delicious tomato soup! They have continued learning about Shakespeare's 'A Mid Summers Night Dream' creating story boards to enhance their knowledge and understanding of the tale.

Four of our Y8 girls have been working tirelessly with Mr Littleboy on their STEM project 'Skin Saver'. They presented their project at Bournemouth University this week and received some fantastic feedback. Well done – **Kitty P, Mia M, Lily H and Heleyna P!**

After School Clubs!

| | |
|--------------|--|
| Tues | Netball Y6 Running All Years Basketball All Years |
| Wed | Tag Rugby KS2 Hockey All Years |
| Thurs | Football KS3 Stunting All Years Girls Football All Years |
| Fri | Football Year 6 Netball Y5 |

Williams A in Year 5 has been busy dancing his socks off at a recent street dance competition! He came 2nd out of 70 children! We are so proud of him and pleased he is a part of our Great Big Dance Off too. Well done Williams!

The wallaby pouches are really coming along! Thank you to **Sarah N, Madeline F and Sophie W** all in year 6 – you have done a fabulous job for a great cause!

On Wednesday the **KS2 indoor athletics** team took part in the County Finals having qualified out of 14 schools from Poole! The girls and boys put in a huge amount of effort during their events and finished in 5th position.

A tag rugby tournament was held at Bournemouth Rugby Club on Thursday and the team consisted mostly of Y5s, with Tru and Libby from Y6! They worked really well, putting the tactics and skills that they have learnt from lessons and after school club into practice. The scores of each match weren't recorded, instead the focus was on showing respect and good sportsmanship. All pupils worked well together and scored some great tries after linking several passes together. Even the hail stones and driving rain couldn't dampen their enthusiasm!

FAIRTRADE!

Year 7s have been looking at Ethics, morals and consumerism. The past couple of weeks have been 'Fairtrade Fortnight', we thought that we would put all of those things together and hold a pop up fairtrade shop. We will be selling fairly traded goods on **Tuesday 17th - Thursday 19th March from 3.05 until 4pm** in the LRC alongside the bookfair. Please send your children with their pocket money or pop in yourselves to support Traidcraft, learn more about what fairly traded goods mean and stock up on everyday essentials and some treats too! The children have been working hard on their entrepreneurial skills to make this happen.
