

Snapshots of the Week

Week: 11th to 15th Nov

This week in **Year 5**, all classes have experienced their first UBC outcome day – what a buzz! The pupils created amazing outcomes with their UBC groups and were super proud of their showcase. The remainder of the year group jetted off to space (in virtual reality)

This week in **Year 6**, we have been looking at the geographical features and history of Mexico in preparation for our new topic 'Mayan Madness'. The children are excited to start learning all about the Mayans and discovering their interesting past.

Upcoming Events

19th Nov 3.30-6.30pm Book Look Evening

20th Nov Christmas Carol Concert Rehearsal

21st Nov Follow Up

5th Dec Poole Lighthouse Christmas Carols 7pm

This week pupils in **Year 7**, have continued with the separating mixtures topic in Science. Following the recent chromatography work, they have now separated rocksalt into sand and salt. Lots of bunsen burners, lots of equipment and lots of fun. We will now use our science lab books to think about the hazards and how we controlled them.

CHILDREN IN NEED! Thank you everyone for your fantastic donations we have raised a total of £743.12 Which will all be donated to the CIN charity. ANTI BULLYING WEEK... the children have been extremely sensible, empathetic and understanding during our anti-bullying week. They have engaged in some challenging conversations and looked at some interesting case studies.

GREAT BRITISH CHAMPION!!

We are so excited to announce we have a British Champion at Broadstone Middle School! Niall G in Year 5. On Sunday 10th Nov he competed in the taekwondo British Championships and successfully brought home the gold medal! We are so proud of Niall and his commitment to his sport, a huge congratulations!

FANTASTIC FOOTBALL!

Our U11 girls football team are currently unbeaten in both their league and cup matches. They are becoming an amazing team that have gelled really well and encourage and support each other through their games. An absolute credit to the school!

UNIVERSITY OF BROADSTONE CURRICULUM OUTCOME!

Yet again, the children and staff at Broadstone Middle have wowed us with their UBC Showcase afternoon. This year, we have some new study modules that have inspired our young learners to change the way they live, change the world and even change their bedroom! Our interior designers can teach you a thing or two about colour combinations, mood and texture to create an certain ambiance and if you need to find out the best way to keep your body and mind healthy, just ask the SWAP group - they can give you the low down on hydration, healthy eating and top tips for a restful night's sleep. Oh and if you have a fear of getting lost in the wild, our bushcraft and mind over muscle groups can point you in the right direction and help you build a mean shelter to keep you warm and dry. Brilliant!
