

# Snapshots of the Week

## Week: 18<sup>th</sup> to 22<sup>nd</sup> Nov

This week in **Year 5**, we have been looking at different Viking sources and identifying bias. The pupils have used excellent language throughout this. Year 5s are moving on to a new sport next week. All pupils have been told what equipment they require. Any questions ask Mr McCalister or Miss Adams.

This week **Year 6** have been using descriptive techniques to describe the rainforest environment. We began by looking at some work by HG Wells and his description in 'The Door in the Wall.' We have written some fantastic descriptive sentences such as: 'As I stray into the vibrant green jungle I feel a mattress of soft moss under my feet' and 'the diamond-blue water glistened as I listened to a never ending cacophony of screeching birds.'

This week pupils in **Year 7** have been busy in design and technology, making delicious lemon meringue pies, evaluating their final cushions and painting their clock faces. In English they are nearing the end of Skelig and have spent some time this week comparing snippets of the film with the written text.

This week the **Year 8** pupils have experienced the Urban Heath Courtroom Dramas! The Urban Heath Project worked with our Year 8 pupils in school educating them about the importance of the local heathland and the dangers and consequences of fires (particularly those started deliberately). The pupils were fantastic in their roles and had an insight into a courtroom experience.

### CAR PARK!

With the recent wet weather this week the car park has been extremely busy! We would like to politely remind everyone who uses the carpark to ensure to park in an allocated bay and be vigilant of all of our BMS pupils. We have had some near misses this week due to people waiting in the thoroughfare. If no space is available to find alternative spaces in the local area.

The year 7 rugby team unfortunately lost to Poole Grammar 25-5. It was a competitive match and the boys have made so much progress as a team from the start of the year!

The year 8 rugby team drew with St Edward's 25-25. They played fluently, with quick passing and strong defence.

#### REMINDER!

We have lots of energetic riders cycling to and from school. At this time of year it is getting dark very early and would like to ask that you ensure your child is always safe and kept visible during these dark evenings. This could be by either wearing a high visibility jacket or ensuring the lights on the bicycle are working.

### NUT FREE SCHOOL!

This is a polite reminder that we are a nut free school. We have a number of pupils with severe allergies. We do ask that you do not pack your child's lunchbox with items containing nuts or send any item made from nut products onto school site. Thank you for your support in keeping our pupils safe and well.
