

27th September 2021

Dear All,

National Library Week - Non-uniform day - Monday 4th October

This year, National Library Week is taking place during the week commencing 4th October. With research showing the invaluable benefits of reading for pleasure, we are determined to provide all of our pupils with the opportunity to select from a wide range of amazing books to read, by updating and expanding the selection of books available in our school library.

With school budgets stretched to their limits, we are holding a **non-uniform day** on **Monday 4th October** to raise money to buy new books for the library for your children to read. There is a suggested donation of £1 which will all go towards purchasing exciting new books, both fiction and non-fiction, for the school library.

There will be an assembly for Key Stage 2 pupils on Monday 4th October to share with them some of the amazing new books that we have and to explain how the library will operate. In the next few weeks, your child will be issued with their own barcoded library card and they will then be able to select from and borrow these new books. We will also be looking to appoint some pupil librarians to help manage our library.

Many thanks to those people who have generously donated books to us through our Amazon Wish List. We have been overwhelmed by your generosity and have now received over 90 new books. If you would still like to purchase a book from this list for us, it would be greatly appreciated. Please use this link (or the QR code at the top of this letter) to purchase:

https://www.amazon.co.uk/hz/wishlist/ls/1S6WV4GXC26S8?ref_=wl_share

Don't forget to select our address from the list for it to be sent directly to us. If you would like to donate a book, but would prefer to buy it elsewhere, or even donate second hand copies that you no longer need, then these will also be gratefully received.

If you have any questions or queries please feel free to contact the school directly; we are more than happy to answer them.

Yours sincerely,

K Bone
