

BROADSTONE MIDDLE SCHOOL

16TH MARCH 2024

Expression of interest meeting

K

25.4.2023

- This meeting is all about just getting a feel for the amount of children who may like to go on the ski trip in March 2024.
- We have 86 places for children. This is based on the number we can take on the coach and also how many staff members and volunteers we can take to make sure we have the correct ratio for legal and safety requirements.
- The figure for the ski trip will be around £1200, it may be slightly more when we add the small additional costs such as the weduc fee. ***It is an approximate figure. In addition to this, we offer practice lessons at snow tracks which we will cost nearer the time.***

Ski Trip letter

S

- On your seats there is an expression of interest letter. If you could fill out and either hand to us tonight, leave on your seats and we will collect or give it to your child to hand to their tutor by Friday 28th April, this gives us a rough idea of how many children would like to come on the trip.
- Then a letter will go out on Wednesday 3rd May 2023. We will then pick out of a hat to make it as fair as possible. We will take into consideration previous waiting lists!
