

Thursday 2nd February, 1.30pm – 3.00pm

We would like to welcome you to the University of Broadstone Curriculum Showcase. The afternoon is packed with exciting events for you to visit and take part in.

Please arrive and leave via the **front entrance** to the school. Whilst you visit, guides will be on hand to direct you to where events are taking place.

During the afternoon, you are invited to visit exhibitions and pop up shops; so, do bring your pennies along to support the work your children have been engaging in. All pupils will be engaged in their outcome for the afternoon and so will not be allowed to leave their UBC group before the end of the showcase.

A bell will signal the end of the showcase at 3.00pm. If you would like to take your child home after the bell, once they have finished the outcome, please sign them out with their UBC teacher so that we know who we need to dismiss at the end of the day. If they are leaving at 3.00pm, they will need to collect their phones from their UBC tutor. Please be aware that the children cannot leave before 3.00pm

We hope you have a wonderful afternoon and enjoy the outcomes of your child's UBC module as much as they have enjoyed studying it! Please remember to sign our visitor's book before you leave, as we would really love to hear your feedback to help us plan next year's modules.

Please be aware that Netball and Refereeing groups will be tour guides for the afternoon as well as sharing the work that they have been doing.

The following list outlines our UBC groups for this rotation and summarises what you will see during the outcome afternoon. The groups in green will be selling items linked to the work they have been creating. If you would like to purchase any pieces, please bring some money with you.

#Blank Canvas

Come and see our body art designs as we share our learnings of the history of body art. We will be sharing and selling copies of our designs.

And for my next trick... close up magic

Be amazed with our small magic show. Each pupil has selected between 1 and 4 tricks they have learned that they will perform for a visitor. The tricks will overlap considerably between pupils, so any one spectator will only need to visit one of the magicians.

Ballet

Come and watch are own choreographed ballet performance.

Become a Children's Author

We will be displaying our completed short stories and/or picture books and will be able to talk you through the process of designing our books, from creating our characters to deciding our plot.

Broadstone Jewellers

The children will be selling their handmade jewellery. They have created their own brands that they will be displaying and selling at a cheap price. The pupils will be demonstrating how to create the jewellery and explaining the process behind their own creations.

Chess Masters

Come and see what the Chess Masters have learnt through our UBC this term! You can visit us to learn some basic rules of chess, play some mini games or even challenge a grandmaster in a mini tournament! There will also be some chess challenges on offer!

Creative Clay

Come and see our ideas made into beautiful clay pieces

Coding

We will be demonstrating our coding skills during the showcase.

Create a comic book

students will share their comic books with their grown-ups. Bring some money and you can purchase your own copy.

Garden Science

Garden Science students will be showcasing their miniature bug hotels, together with the pieces they have made and grown throughout the course.

Students will also be also be investigating how far an exploding seed can travel.

Get Scrapbooking

We will be hosting a scrapbook gallery where visitors will have the opportunity to have a look through the scrapbooks children have produced to see what special memories the children have decided to capture and cherish.

Interior Designers

In interior design you will see the pupil's finished shoe box rooms displayed. They will be telling you about their design process and pitching their idea to you. You will have the opportunity to vote for your favourite design.

Lights, Camera, Action

Lights Camera Action is proud to present their very own music video and live performance. Enjoy!

Mindfulness in Action

Visitors will be informed about our learning and will then enjoy a 5 min meditation session.

Papercraft

Come and see how we make various items out of paper and maybe even have a go yourself. A variety of cards will be on sale.

Pasta Making

Come and watch our powerpoint showing our pasta making journey.
Enter an Italian Hamper Raffle and purchase handmade focaccia.
You can even try your hand at using a pasta machine.

Pilates

Students will present, in pairs or groups of three, a sequence of yoga and Pilates moves to our visitors.

Self Defence

Students will demonstrate self-defence techniques safely on each other and explain the details behind each technique.

Self-propelled vehicles

Our showcase will involve testing, improving and demonstrating the vehicles we have built. Identifying the fastest, furthest travelling and best designed.

Textile Art

Visit our art gallery displaying the children's work. Children will discuss how they achieve their pieces of art. and the processes they went through.

Toy-Tography

Visit us for a presentation of our Toy-Tography stories made with miniature figures that tell a story. We can share with you how they were created.

Transform your trainers

Come see how we have been customising our preloved trainers. We have taken trainers to another level and put the life back into them to wear again or display as pieces of art.

Trash to Treasure

Trash to Treasure welcomes you to the Resistant Materials Room for a treat of twinkling tealights.

Ultimate Frisbee

Students will apply the skills they have learnt over the weeks to create their own game, using the principles of ultimate frisbee. This includes the importance of honesty and self-refereeing. They will then teach this their games to willing participants.

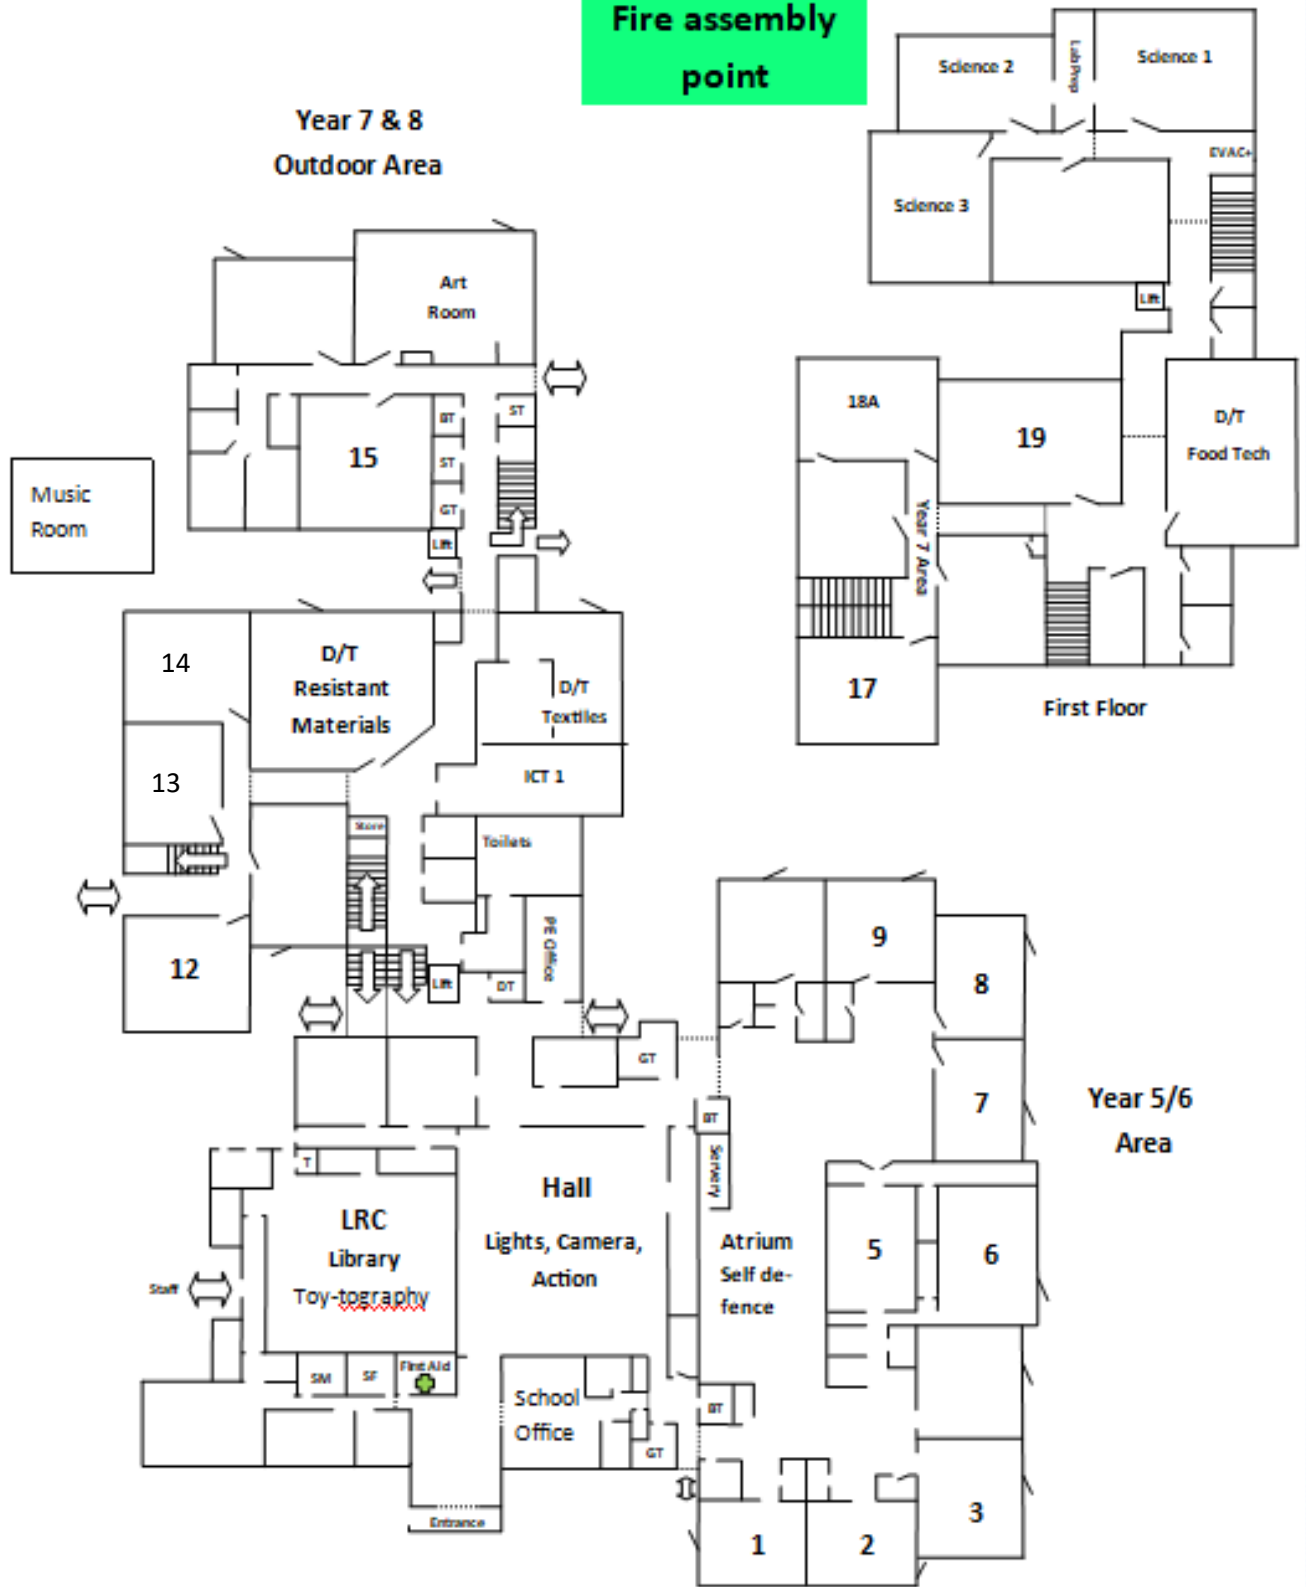

Watercolour Art

Visitors will be able to see original artwork displayed around the room.
Greetings cards and prints of original paintings will be on sale.
