Dear Parents and Carers

WEDUC – Communication and Payment System

I am delighted to let you know that the school has invested in a new parent communication and payment app – named “Weduc”. The previous payment system “Parentpay” will be phased out over the next few weeks.

Weduc provides a social media style community that allows you to follow your child’s learning and view any pictures, videos or posts relevant to your child. It enables you to view all academy communications such as push messages, emails, texts and notifications in one secure location. It also provides an improved payment system for school trips, clubs and so on.

All families will receive an enrolment email or SMS from Weduc containing details of how to register and access the Weduc app on Monday. A unique and secure login for your account will also be supplied.

As a smart digital communications tool, Weduc can be accessed as a mobile app, or you can log in on a web platform.

Step 1

Visit the Weduc website or download the app from the Apple App Store or the Google Play Store

Step 2

Enrol using the enrolment code sent to you by email or letter

Step 3

When Prompted, confirm your email address and phone number – you will then be sent a PIN by email or SMS

Step 4

Enter the PIN, when prompted, into the app or web page

Step 5

Create a password, log in and enjoy!

Dunyeats Road, Broadstone, Poole, Dorset, BH18 8AE
