

20<sup>th</sup> September 2022

Dear Parents and Carers,

**KS3 Warhammer Club**

Children at Broadstone Middle have expressed interest in joining our Warhammer club. Warhammer is a table top war game that encourages young people to play together and to collect and paint their own models. To find out more please visit – [www.games-workshop.com](http://www.games-workshop.com)

During the club, members will learn how to paint, build and play with these models to a good standard. This does require the use of tools, glue and paint, under supervision. However, we do ask for your permission for your child to use these items.

We will also document the sessions and the progress the children make by taking photographs. These will occasionally be shared with Games Workshop for use in the International Schools newsletter and other publications, with permission from the parent or carer of the child. Your child will learn how to play the tabletop game so that they can battle against their friends or even take part in tournaments!

The club will run every Monday starting from the 26<sup>th</sup> September until the end of the academic year. Timings will be 3:20pm - 4:30pm and will be based in the Resistant Materials room. The club will have a limited number of spaces and will be available on a first come first serve basis.

We have a small amount of models and equipment that can be used free of charge but we encourage children to bring their own equipment/figures/paints etc to the club. They must present them to the resistant materials room during morning registration time. The maximum value of equipment per person should not exceed £100. (The school will not be held responsible for any theft or loss of items).

**Please complete the online form using the link below by Thursday 22<sup>nd</sup> of September.**
