

SNAPSHOTS OF THE WEEK

Week: 21st to 25th November 2022

Tesco Grant Scheme

BMS have been taking part in the Tesco Grant scheme since October, collecting the blue tokens in stores to update our school library. Dorset Motorhomes wanted to support our love of reading at BMS and have very generously donated £2500 to our library fund for us to buy lots of lovely new books with. The Tesco Grant scheme will continue to run until mid-January so please keep popping your blue tokens into the BMS charity box in stores!

Book Look

Thank you to everyone who attended Book Look this week. It was lovely to see the children showing off the fantastic work they have produced this year and hearing the conversations they were having with their parents/carers about this.

Eco Tip

Each week as part of our Eco Schools agenda we will be providing a weekly eco tip for families! This week's one is 'Buy food (and drink - ideally tap - water) from local companies whenever possible. Each pound of local food you purchase prevents a quarter pound of climate change (CO2) emission.'

Year 6 STEM Trip

Y6 STEM Event day @AECC University College on 24th November. The pupils took part in various activities throughout the day, including Maths Roadshow, Discovering the Science of Xray, The Human Body workshop, Straighen Up UK and Medical models.

BMS Superheroes

PE Inter-House Competitions

In PE this week, we have begun Inter-House Competitions! The children will be given weekly challenges until the end of term, where they can earn points for their houses. At the end of term, the winning house will be awarded a non-uniform day! They have really enjoyed this week's challenges, showing off their netball and basketball shooting skills and working as teams during the obstacle course race! Lots of healthy competition has shone through! New challenges will be introduced next week.

Timestable Rockstars

This week's winning classes in KS2 are 5Z (highest points), 5Y, 5X, 6X, 6Z.

This week's winning classes in KS3 are 7V (highest points), 7Z, 7T, 7U, 8U, 8V, 8S, 8Y, 8Z.
