

# SNAPSHOTS OF THE WEEK

Week: 26th to 30th September 2022

## Year 5 Brenscombe Activity Centre Trip

This week, Year 5 went on their first ever trip to Brenscombe outdoor activity centre in Swanage, where they took part in low ropes and high ropes activities. This included the giant sea saw, leap of faith, monkey bars in a harness and also rock climbing. This was the perfect way to round off our topic 'Knowing me Knowing you'. Our Year 5 learners had a wonderful time and we can't praise them enough for showing incredible resilience, bravery and fantastic team work. Well done Year 5, you were incredible! Also, a massive thank you to our parent helpers. It's because of you that we are able to take our children on trips that are so beneficial to them. We look forward to welcoming you on more trips in the future.

## Tesco Grant Scheme

BMS have been successful in applying for Tesco Grant Scheme to help buy books for the library – It has been named as **Broadstone Book Bonanza** and will feature in Tesco stores in Broadstone, Poole, Bournemouth and Sandbanks to name a few! It'll run from 1<sup>st</sup> Oct until mid-January so lots of time to get as many blue tokens as we can! We are passionate about reading and are working hard to update our library. Any donations will go towards purchasing new and exciting books for our pupils.

## Building works

Our school site was busy over the summer holidays with building works, as well as new paint and carpets across the school site. We are pleased to say our KS3 toilets are now open for students.

## Sir Link A Lot

Please see the additional PDF with information about Sir Link A Lot. This week's words are as follows:

Year 5: again, friend, parent, people, really

Year 6: circle, field, friend, threw, really

Year 7: celebrate, certain, chocolate, colour, different

Year 8: criticise, determined, especially, explanation, forty

## BMS Superheroes

BMS superheroes this week are our very own KS2 Girls attending Football Club. The girls have already been showing some great talent and developing new skills. Year 5 and 6 girls are welcome to join the club each Thursday after school and we are hoping at some point to have some matches against other schools. It is great to see the girls have been inspired by England's Euros Champions this summer. Great job, girls, come along and join the fun.

## Parent Communications...

### Year 7 Geography walks

Over the next two weeks, year 7 students will be taking part in local walks as part of their Navigator unit. They will use their compass and grid reference skills to explore the local area and create a Walks of Broadstone booklet for their Authentic Learning Project. These walks will take place during Geography lessons so we would ask that students ensure they have a coat with them on these days.

### Library

All students have been issued with library cards in the form of a bookmark and we would encourage them to borrow books to support with reading fluency and love of reading. One book can be borrowed at a time for up to three weeks.

### Textiles

If you are able to offer your support during Textiles lessons with coming into school to help the students make pencil cases and cushions please let us know!

## Timestable Rockstars

As part of their home learning, all students are required to complete 30 minutes of Timestables Rockstars each week. This is incredibly important as times tables form the foundation of their maths knowledge and will help them as they progress in their mathematics curriculum.

All students in winning classes will receive 3 house points each! Top scorers in each class will receive a certificate and privilege pass!

Mrs Swart compiles battles every week and the results of these will be shared each week on the Snapshot. The class battles run from a Sunday until the following Saturday.
