

Dear Parents and Carers,

19<sup>th</sup> September 2023

**Welcome Evening 2023**

We hope this letter finds you well. It is with great excitement that we write to inform you about our upcoming Welcome Evening. This event is a wonderful opportunity for us to come together as a school community and provide you with valuable information about the academic year ahead.

This year we have decided to change the format of these evenings to try and make them as informative and effective for all our families. This year rather than separate New to Year Group evenings we will be instead running a New to Year Evening for all year groups together. This will be held on **Wednesday 4th October 5.15-7.30pm.**

During the evening, school will be open for you to attend at a time that suits you best. Teachers will be available within their classrooms for you to meet and discuss how your child has settled into their new class and see what they will be learning throughout the year. During the evening there will be different information talks available to attend within the school hall. There is no expectation to attend these, please choose those you feel are most beneficial to you and your child.

**Agenda for the evening**

**5.20pm** – Supporting your child with their home learning

**5.40pm** – Personal Development: Community volunteering project

**6pm**- A welcome from Dawn Wilks and Amber Barter- an overview of our school's aim, curriculum and information about the year ahead

**6.20pm** - Supporting your child with their home learning

**6.40pm** – Personal Development: Community volunteering project

**7pm**- A welcome from Dawn Wilks and Amber Barter - an overview of our school's aim, curriculum and information about the year ahead

We look forward to welcoming you during the evening. As always, we believe regular communication between home and school is vital and through our open-door policy we would always encourage parents to be in contact with us as soon as they have any concerns and not wait until there is a parent evening before they feel they can meet with teachers.

As always, if you have any questions please do get in contact.

Best Wishes

Mrs A Barter  
Head of School
