

SNAPSHOTS OF THE WEEK

Week: 6th—10th May 2024

Canford Athletics

Last week 6 of our talented students had the fantastic opportunity to showcase their athletic abilities at the Dorset Schools Athletic Trials held at Canford School. Selected based on their outstanding performances during sports day last year and throughout PE lessons, these students demonstrated exceptional skill, determination, and sportsmanship. Their participation in this prestigious event not only highlighted their individual talents but also represented our school with pride and excellence. The trials provided a platform for our students to compete against peers from schools across Dorset, showcasing their abilities in various athletic disciplines. Well done to everybody involved!

High School Musical

There are now only a few seats remaining. If you haven't bought your tickets yet, we urge you to do so at your earliest convenience. Tickets are available at www.ticketsource.co.uk/broadstone-middle-school

RISE Awards

Our latest Rise Award winners were rewarded with the smoothie bike. The children were able to custom make their own delicious smoothies which they had to cycle extremely hard to blend! Great fun was had by all—well done to all of our winners!

KS3 Boxing Workshop

Last week saw the start of the 6 week boxing workshops arranged for a small number of KS3 students. The workshops are being run at Bendall's boxing gym to allow for the complete experience and full equipment. The children had a great time and Mr Harlowe was a super volunteer to do some pad work! We look forward to seeing their progress!

KS3 Math Sparx

Well done to 7V who not only took the lead this week with the highest average XP per student at 505 XP's but also had the biggest completion improvement vs the previous week at 56% (+4%)!
