

SNAPSHOTS OF THE WEEK

Week: 13th—17th November 2023

BROADSTONE
MIDDLE SCHOOL

Congratulations

A big congratulations to Mrs Nadin who gave birth to a beautiful baby girl last week—we can't wait to meet her! Congratulations are also in order for Mr Evans who got married in half term!

A Polite Reminder

Please remind children about respecting our local community when outside of school. This includes being mindful of our actions and putting rubbish in the bins. Thank you.

Nut Free School

Please remember that BMS is a nut free school. This includes items such as Nutella, Reese's Spread, Snickers, peanut butter and some cereal bars.

CAM Toys

Year 5 have made a start learning about CAM toys and their moving parts. They are currently doing their market research to inform their planning for when they make their own CAM toys.

Shoebox Appeal

Thank you to everybody who donated items and shoeboxes containing essential items to support those in need in war torn and impoverished countries this Christmas such as Ukraine, Romania, Moldova and Bulgaria. Our shoeboxes have now been dropped off—thank you for all of your generous donations!

Year 5/6 Football Match

This week some of our Year 5/6 boys played exceptionally in their PEDSA Cup fixture against Hamworthy Primary. The boys showed great determination and teamwork, as they led 5-0 going to half time. After a quick break the boys kept going and worked incredibly hard to the final whistle as they ran out 7-0 winners, in their first game of the year and move on to the next round. Well done boys for a stellar performance!

Well Done Lily

On Saturday 4th November Lily attended Nothe Fort as a group of just 8 Scouts. The Scouts went along to make a Poppy Installation for the Fort which is on display for 2 weeks. Lily was chosen to attach and raise the flag at the Fort, a very special privilege. She then made a special Cascade that was on show on the inside of the Fort. Well done Lily!

Upcoming Events / Key Dates

- 21st November—Book Look evening 3.30—6.30pm
- 23rd November—Book Look follow up appointments

Parent Communications

Sparx Maths

KS3 Maths homework will be starting on **Monday 20th November 2023**. All KS3 classes will have an introduction session during their math's lesson. The lesson will include:

How to access Sparx Maths (mobile and computer) and login for the first time

Types of homework available (Compulsory, XP Boost and target)

Bookwork checks

Examples of questions and supporting materials available

Expectations (complete 30 minutes per week, record question numbers and show working)

Support available in school (Homework club and drop in sessions)

Detention for homework not completed.

Timestable Rockstars

This week's winning classes in KS2 are 6V (highest points), 6W, 5Y, 6Y and 6Z. Congratulations!

Let the games begin to see who will come out on top next time!

Top Score in Each Year Group
