

SNAPSHOTS OF THE WEEK

Week: 18th—22nd March 2024

BROADSTONE
MIDDLE SCHOOL

KS3 Ski Trip

KS3 had a very successful time in Italy last week for their ski trip. They were blessed with spectacular skiing conditions, wonderful food and après ski activities. Broadstone Middle School were very popular in the resort with the Interski reps and ski instructors due to the progress they made in lessons, their friendliness and exemplary behaviour. A great time was had by all children and staff and we are really looking forward to our next ski trip!

Cross Country

During the initial week following the Easter break, students will engage in Cross Country running as part of their Physical Education curriculum. This presents an excellent chance for them to push their limits, appreciate the surrounding scenic school environment, and further enhance their physical fitness. We kindly request all students to bring spare shoes, socks, and optionally, trousers during their PE lessons. It's advisable for students to wear long trousers while running the course to prevent discomfort caused by the Gorse vegetation on the heath.

Timestable Rockstars

This week's winning classes in KS2 are 5Y (highest points), 5Z, 6W, 5W and 5X. Congratulations!

Let the games begin to see who will come out on top next time!

Great Reads from The Book Fair

Last week we had our second book fair for this academic year. It was a delight to see so many children browsing the books in search for something new to read and purchasing a book or two! Thanks to all who helped run the fair especially our incredible student volunteers—Chloe and Jude (KS2) & Olivia and Holly (KS3). We sold around £630 worth of books and stationery which means we'll be able to add some additional books to our library soon. We hope those that purchased books, enjoy reading them!

KS2 Netball Tournament

This week, Year 5 students from Broadstone Middle School participated in a netball event hosted at St. Michael's Middle School in Wimborne. A total of 11 students engaged in the tournament, which aimed to introduce them to the game and foster interest in netball and physical activity. The students demonstrated impressive performance, representing our school with excellence. We are optimistic that their participation will cultivate a love for netball in the future.

KS3 Math Sparx

Well done to 7U and 8T who are currently leading the school ranking with the highest completion percentage for the week with 85% (7U) and 66% (8T). In the lead of top XP this week are Madeline S 7V with 1260 and Marnie R 8U with an incredible 1680—well done girls! Congratulations are also in order for Evie T 8T and Mercedes O'S 8U who have levelled up this week and reached a new XP Level. Keep up the good work everyone!
