

SNAPSHOTS OF THE WEEK

Week: 22nd—26th January 2024

Reading Rocks

At BMS we know that reading for pleasure is one of the most valuable activities for children (and adults) to engage in, which is why we expect children to read regularly at home. Did you know that there are many benefits of reading, including relieving stress, improving concentration and memory, expanding vocabulary, improving writing, enhancing knowledge, developing empathy, increasing imagination and creativity – not to mention, free entertainment! Please continue to encourage your child to read regularly at home. All children at BMS have a library card and are able to borrow a book from the school library. If you would like to contribute towards our school library, we have an Amazon Wish List where you can purchase books to be sent directly to the school. https://www.amazon.co.uk/hz/wishlist/ls/1S6WV4GXC26S8?ref=wl_share

U11 Netball Stinger Festival

The U11 Netball Stinger Festival kicked off this week at Poole High School, and our team of 7 girls showcased exceptional talent in the adaptive 5-a-side game. The festival promises 3 weeks of spirited competition, and our girls got off to an impressive start on the first day. In a series of 3 games, BMS emerged victorious in each encounter, demonstrating outstanding teamwork, skill, and determination. While every player contributed significantly to the success of the team, special recognition goes to Poppy F 6V, who stood out with her remarkable performance. Poppy's exemplary skills and dedication on the court earned her the well-deserved title of "BMS Player of the Day." We look forward to the continued success of our U11 netball team in the Stinger Festival, and we're confident that the girls will continue to showcase their talent and sportsmanship in the remaining weeks. Congratulations to the entire team. Stay tuned for more updates as our U11 netball team aims for victory in the upcoming festival matches!

Indoor Athletics

On Monday, 18 students from Years 5 and 6 attended the first day of a 3 day qualification event for the Poole School Games Indoor Athletics. There was an electric atmosphere at the event, attended by three schools from across Poole. Our student athletes represented Broadstone Middle School with great energy, determination, and respect for the other schools involved in the competition. We are pleased to report that BMS scored the most points and were the winners of the first afternoon qualifying round. We now have a 3 week wait for all competing schools to participate in the qualifying event before discovering whether we will advance to the Dorset Indoor Athletics Finals!

KS3 Sparx Maths

Congratulations to 8T who took the top spot with a 100% completion percentage! 7U were right behind with 96%. Congratulations to Baaba J who was the top scorer in Year 7 and Skye J, Leo T, Aimee W, and Bradley F who were joint top scorers in Year 8. Keep up the good work!

Timestable Rockstars

This week's winning classes in KS2 are 6Y (highest points), 5V, 6Z, 5Z and 5Y. Congratulations!

Let the games begin to see who will come out on top next time!

Top Score in Each Year Group

Shreenav P 5Y

Frederick F 6Y

Parent Communications

Mid-Year Reports

Just a reminder that mid year reports will be sent home on Wednesday 7th February 2024.

Lost Property

Please remember to name all of your childrens items including coats and water bottles, as this will make it easier to return items to their owners.
