TIPS

BROADSTONE
MIDDLE SCHOOL

- ✓ GHIC card - <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>
- ✓ EVERYTHING should be labelled, especially gloves, jackets and headwear
- ✓ Children will have restricted phone use. We will collect phones in at lights out and they can have them again at breakfast and we will collect them in again before we leave the hotel. You may want to check your mobile phone contracts and providers and place limits on their phones.
- ✓ Children should not need more than £10 per day spending money so we recommend a limit of £100 cash or prepaid credit card.

GROUPS AND BEDROOMS

- ✓ 3 weeks before departure we will be placing the children into their bedroom buddies. We need to wait for the hotel to give us the accurate bedroom figuration and layout nearer the time.
- ✓ Nearer the time I will also group the children by friendship group and ski ability.
- ✓ We have a higher than recommended staff to child ratio for the age group of 1:6 rather than 1:10 that most schools and travel operators suggest.
- ✓ We will complete regular room checks and have a master key but Will always knock before we come in.

INTERSKI RENTAL WEAR

- ✓ Jacket Rental £35
- ✓ Trouser Rental £30
- ✓ Suit Rental (JKT / TRS) £50

SKI CLOTHING

- ☐ Ski jacket – for on the coach, skiing and evenings
- ☐ Ski trousers – salopettes or ski trousers
- ☐ Ski socks – merino wool, moisture wicking, not football socks or sports socks, and never wear more than one pair of socks in your boots!
- ☐ Ski gloves – mittens are better at keeping your hands warm – attach with string so you don't need to worry about them
- ☐ Balaclava – to wear under your helmet (helmet – will be provided) not a hat with a bobble on top
- ☐ Ski goggles – to wear when snowing, bubble-like appearance of spherical lenses give better glare defence and peripheral vision, polarised is preferable, anti-fog, make sure they fit well, orange or pink lenses are best for Pila weather
- ☐ Sunglasses – to wear most of the time, must block 100% of UV rays, which bounce off the snow and into your eyes, even on cloudy days in Pila
- ☐ Base layers are important and always ski in long sleeves no matter how hot you feel
- ☐ Snow boots to wear around resort – not trainers – not Uggs style boots – not wellies – your feet will get cold and wet
- ☐ Suncream and lip balm – specific for skiing due to high altitude and reflection from the snow, at least a factor 30.

APRES SKI CLOTHING

- ☐ Tracksuits, jeans, hoodies, t-shirts etc
- ☐ Trainers only for inside, snow boots or waterproof trainers for out and about
- ☐ We will be going out for pizza one night but it's not a dressing up kind of holiday
- ☐ All clothing must be appropriate as you are still within our school policies
- ☐ Consider wearing a onesie to travel in 😊
- ☐ Hats and scarves for the evenings if you wish but not for skiing

EXPECTATIONS

- ✓ You are representing the school
- ✓ Staff are taking time away from their own families and working additional hours to take you on a school trip so please be kind to us too
- ✓ Staff will be given scheduled “down time” and should not be disturbed during these times - there will ALWAYS be staff on duty – it will be clear on our doors if we are on duty or off duty
- ✓ You are expected to conduct yourselves within the usual school policies
- ✓ If at any point your behaviour is deemed unsafe or unacceptable you will be removed from the trip, and your parents will have to come to collect you - this will be at an additional cost to your family and not school
- ✓ After any trips to shops, we may ask to see what you have bought
- ✓ We will conduct spot checks on rooms with rewards for tidiest rooms!
- ✓ Staff will have a master key to rooms. We will never enter a room without knocking first
