BROADSTONE MIDDLE SCHOOL

Preparing children for “a life well lived.”

Our Four Pillars

At Broadstone Middle School, we want to prepare you to live the very best life possible; to have **a life well lived**. With 'children first always' as our guiding principle, we make every decision through the lens of our four pillars:

- 1) Knowledge acquisition – this is to help you make sense of the world around us.
- 2) Preparation for work – this is to help you get ready to work and successfully contribute to the economy.
- 3) Self-agency – this is to help you feel in control of your actions and the consequences whether they are good or bad.
- 4) Taking positive action – this is to help you understand your place and the positive impact you can have on the world.

Our House System

From your first day, you will belong to one of our four Houses which reflect our four pillars. You will always be representing your House, whether it is being prepared for learning, super contributions in lessons, positive interactions with staff, entering House competitions or representing our school. Not only will your House points contribute to the overall success of the House you belong to, but you will also receive rewards! Points make prizes and you could find yourself taking part in photo booth sessions with friends, silent discos, pizza parties, hot chocolate, movies and popcorn and even a trip to the bowling alley!

Which House will you belong to?

Getting off to a good start

Mobile phones can be brought to school. They need to be switched off whilst on the school site. They must be handed into your tutor during morning registration where they will be stored in a box safely and placed in the office. These will be returned to you at the end of lesson 5.

Being prepared for learning means having equipment for every lesson as shown below. Our learners run the school stationery shop during morning registration so you can use cash to purchase anything you need for the day.

- ☐ 2x blue pens (handwriting style or ball point)
- ☐ 30 cm ruler
- ☐ Purple ball point pen
- ☐ 2x pencils
- ☐ Rubber
- ☐ Yellow and green highlighters
- ☐ Protractor
- ☐ Glue stick
- ☐ Whiteboard pen
- ☐ A clear pencil case that holds these items

Uniform

This is important to us as it ensures you are all treated fairly and feel equal. Uniform standards are checked daily, and we expect to see:

- ✓ White collared shirts always tucked in with blue clip-on tie
- ✓ Skirts or shorts to the knee or grey tailored trousers
- ✓ Smart black school shoes (no trainers of any type)
- ✓ Plain grey or black socks or tights (no leggings)
- ✓ BMS V neck jumper
- ✓ No makeup
- ✓ Nail polish to be clear – no fake nails
- ✓ Piercings – in the ears only and must be plain, flat studs
- ✓ Watches must not have internet facility
- ✓ No rings, anklets, bracelets or necklaces
- ✓ Hair neat and tidy and tied back throughout the entire day

PE Kit

Only to be worn on PE days or if you have an after-school sports club or UBC. No large brands or logos on any clothing.

- ✓ Light blue t-shirt
- ✓ BMS Hoodie
- ✓ Shorts - black cycling shorts to the knee or football style shorts to mid mid-thigh
- ✓ Trousers - black jogging bottoms suitable for running in or black leggings
- ✓ White or black socks
- ✓ Any trainers or boots suitable for the sport

Key Learning Books

You will need your **Key Learning Book** every lesson. You will use this to make notes to help with your home learning as it will always link to what have done in lessons. You will also be provided with QR codes to direct you to websites that will help you. Over a two-week period, you are expected to complete a total of six pieces of homework and each piece should represent approximately 30 minutes of home learning. Alongside this, you will be expected to complete 30 minutes of TT Rockstars over the two weeks. An example of a home learning schedule could be:

Two Week Cycle Beginning _____				
Focus:				
English Writing – 2 structure	Maths 13 factors, multiples, primes 16 short division	Module Geography 9 Mayan	Module History – 1&2 civilisation	Spelling Homophones

University of Broadstone Curriculum - UBC

A real highlight of the week is lesson 5 on a Wednesday as the whole school comes off timetable to enjoy learning a new skill. You will make your choices at the start of the year and experience learning this new skill for 8 weeks across a mix of year groups. On the 9th week we put on a showcase afternoon for your grown-ups at home to come and see. Each experience is run by staff at school who offer a wide range of exciting opportunities such as:

Creative Clay

Shoe Crew

Acrobatics

Dodge Ball

Italian

...and so much more!
