CASTLEMAN ACADEMY TRUST
Publication Scheme

Our policies refer to Senior Leaders. This can mean Executive Head Teacher, Head Teacher or Head of School.

The Trust is responsible for maintenance of this scheme.

1. Introduction: What a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this the Trust must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The Trust aims to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child,
- help every child develop the skills, knowledge and personal qualities needed for life and work.

This publication scheme is a means of showing how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The Castleman Academy Trust publishes all information via the Trust and School websites.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Prospectus – information published in the school prospectus.

- Governors' Documents* – information published in School Standards Board/Trust Board documents.
- Pupils & Curriculum* – information about policies that relate to pupils and their learning.
- School Policies and other information related to the school* - information about policies that relate to Trust Schools in general.

4. **How to request information**

All information is published and accessible on Trust and Trust School websites.

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are available on school and Trust websites.

To help us process your request quickly, please clearly mark any correspondence “PUBLICATION SCHEME REQUEST” (in CAPITALS please)

If the information you’re looking for isn’t available via the scheme you can still contact the school to ask if we have it.

5. **Paying for information**

Information published on our website is free, although you may incur costs from your Internet service provider. If you don’t have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos, we will let you know the cost before fulfilling your request.
