This week in **Year 5**, the first few classes have visited the VR centre. The children were given the fantastic opportunity to experience simulations of the solar system and the Apollo 11 rocket with their state of the art technology. The children who are visiting next week are brimming with excitement after hearing the fantastic enthusiasm of those that have already visited.

This week in **Year 6**, we have been enjoying creating our own descriptions of settings using descriptive vocabulary and up-levelling our word choices. We have thought carefully about characters before building them into a story set in a vast volcanic area. We most definitely have some budding authors!

This week pupils in **Year 7** have been engaging with their Italian side and cooking delicious pizzas! Year 7 have started their new mental health topic in PSHE and we cannot commend them more for how maturely and sensibly they have approached this topic. Some fantastic questions and focus.

This week our **Year 8** pupils have been busily baking cookies and trialling an 'invention cookie'. There have been apple and cinnamon to chilli and chocolate. Our Year 8's have also started their new mental health topic in PSHE they have shown empathy and understanding at a mature level, we have been really impressed with them.

THE GREAT BIG DANCE OFF!

TGBDO audition was amazing! Over 140 children attended and dance their little hearts out. All children managed to receive a place to take part due to the passion, ability and energy of their performance. Teams are currently being selected in preparation for our rehearsal schedule. Well done to our dance crew, who performed at the Fireworks evening. Only two rehearsals before the performance and what a great showing!! Fantastic commitment from them all.

FANTASTIC FOOTBALL!

The year 7 footballers beat Lytchett 4-1! They played with lots of creativity and great team work throughout. The year 5/6 girls team beat Haymoor as well. They worked really hard and showed really impressive skills. Final score 6-0. Goals from Olivia P-E, Libby T and Nevie C. Well done to all of you!

JUNIOR SHOWSTOPPER!

On Sunday 3rd Nov Evie O in Year 5 took part in her dance schools winter show 'Junior showstoppers'. There were 2 performances a matinée and evening show. Evie's hard work practicing over the last six weeks paid off as she won a first place trophy for her efforts in the show. Well done Evie!

S.W.A.P

The School Wellbeing Activity Programme (SWAP) run by Nuffield Health have completed their programme with a UBC group. They are excited to showcase what they have learnt about how we eat, sleep, move and feel with a range of interactive demonstrations (and complimentary healthy drinks) next week.

CHRISTMAS CAROL SERVICE

Choir rehearsal was fantastic this week. The children taking part were a credit to the school and sang with smiles on their face getting ready for our festive season. Over 40 pupils have joined the choir this year, which is outstanding!

We will look forward to seeing the live performance on the 5th Dec at Poole Lighthouse. Everyone is welcome please purchase your tickets direct at the Lighthouse.
