

SNAPSHOTS OF THE WEEK

Week: 8th—12th July 2024

BROADSTONE
MIDDLE SCHOOL

Year 5

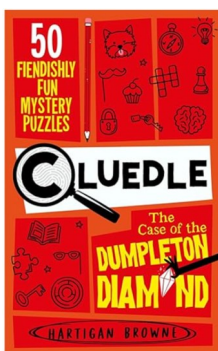

Year 5 enjoyed using the baby models to investigate the link between age and length. They had to make good use of their mathematical skills to record the results in a table and a graph before writing a conclusion. Well done Year 5!

Shoe Box Donations

If you have any spare shoe boxes at home, Miss Thorne would be very grateful of any donations for her UBC. Thank you in advance!

Summer Book Opportunity

As part of our ongoing Book Club links with The Reading Agency, there is a special opportunity for any parents to apply for a free book to read and keep over the summer holidays. The link is given below, and parents are welcome to apply individually. If accepted, your commitment is just to provide a review of the book to publishers. Perfect for mystery fans, *Cluedle - The Case of the Dumpleton Diamond* is a funny, mystery puzzle book for code-cracking families and skillful young super sleuths. The ideal activity book for holidays, car journeys and rainy days! <https://www.surveymonkey.com/r/XH8NX8K>
