

21<sup>st</sup> November 2024

Dear Parents and Carers

**Re: CGP SATs Revision and Practice Books, English and Maths**

Year 6 pupils will be undertaking their SATs in May 2025. Teachers are ensuring pupils have the skills and knowledge needed to fulfil their potential through their learning in school, but many parents and carers ask how they can help at home. As a school, we are able to purchase CGP books at a reduced price and you may find these books useful for home revision.

If you wish to take advantage of this offer and purchase these books (a list of the available bundles is attached), please order and pay using our WEDUC system. Please order no later than **Friday 6<sup>th</sup> December 2024**. Please note we will not be able to accept orders after this date and will not be placing any additional orders. We will advise you when the books have arrived and when your child will be bringing them home.

There is no obligation to buy any of the materials offered, and whilst not essential, these books do offer a clear and concise guide to the Key Stage 2 content your child has covered in school and provide a great opportunity for a little more practice at home.

If you do wish to purchase any of the materials, we recommend the Maths, English and SPaG Buster Bundles or the Year 6 Essentials Bundle to give your child a variety of practice materials over the three tested areas of the curriculum. The Stretch Bundles offer more challenge for those working at greater depth and the Foundation Bundles offer more support for those working towards the expected standard. If you are unsure whether your child would need the stretch or foundation bundles, please contact your child's class teacher who will be able to direct you to the bundle best suited for your child.

This year, the Year 6 SATs will take place the **week commencing the 12<sup>th</sup> May 2025** and are a statutory part of the curriculum. Please do not book any holiday during this week as it is important your child is in school each day to undertake the tests. We will be holding a parent information evening during the Spring term to give you more information about the tests and to answer any questions you have around these.

Yours sincerely

Miss Gallanders  
Head of Year 6
