Dear Parents and Carers

Re: CGP SATs Revision and Practice Books, English and Maths

Year 6 pupils will be undertaking their SATs in May 2025. Teachers are ensuring pupils have the skills and knowledge needed to fulfil their potential through their learning in school, but many parents and carers ask how they can help at home.

As your child is entitled to pupil premium funding we are able to provide the revision practice books for you free of charge. Your child's class teacher will decide which of the following would benefit your child.

For those working at age expected standard:

- Maths, English and SPaG Buster Bundles or
- The Year 6 Essentials Bundle to give your child a variety of practice materials over the three tested areas of the curriculum

For those working at greater depth:

- The Stretch Bundles offer more challenge

For those working towards the expected standard

- The Foundation Bundles offer more support

We will advise you when the books have arrived and when your child will be bringing them home.

This year, the Year 6 SATs will take place the **week commencing the 12th May 2025** and are a statutory part of the curriculum. Please do not book any holiday during this week as it is important your child is in school each day to undertake the tests. We will be holding a parent information evening during the Spring term to give you more information about the tests and to answer any questions you have around these.

Yours sincerely
