

7<sup>th</sup> May 2025

Dear Parents and Carers,

### **Ofsted Outcomes**

As you are aware, on Tuesday 28<sup>th</sup> and Wednesday 29<sup>th</sup> March an ungraded OFSTED inspection was completed at Broadstone Middle School. We are delighted to share with you as a school we have maintained the standards of our previous inspection. This means we have taken effective action as a school to continue to be recognised as good by OFSTED standards.

We are immensely proud of the school and our community we have built here to ensure the best opportunities and learning outcomes for the pupils at BMS.

The report highlights:

- The pupils have positive attitudes towards their learning and achieve well.
- Pupils with special educational needs and/or disabilities (SEND) thrive at the school.
- The school has high expectations for pupils' social, emotional and academic development.
- In lessons and around the school, pupils' behaviour is strong. They are kind, polite and helpful towards each other.
- The school has developed an effective curriculum that enables pupils to build on their prior knowledge
- Leaders are reflective and responsive to the needs of pupils
- Pupils' characters are shaped very well by the curriculum.

The recommendations moving forward from the report are:

- The school should ensure that the curriculum is appropriately sequenced so that pupils can build on their prior knowledge.

School leaders are aware of the specific areas following this recommendation and will continue to develop and implement effective strategies to strengthen the curriculum.

We thank you again for your ongoing support and welcome feedback regarding the report.

Attached is a copy of the published report.

Yours sincerely,

Miss Jade Palmer  
Head of School
