

9th July 2025

Dear parents/carers,

Home Learning and Key Learning Books 2025-2026

We will be continuing our use of Key Learning Books next year. The books will form part of the stationery requirements for our children. As such, we ask you to purchase these via ParentPay (Reach More Parents) for a cost of £5.50. These orders can be placed this side of the holidays should you wish. We recommend you order these by **31st August** so we can supply them to your child on their first few days in September. However, they will be available to purchase in September if you wish. All children will need their Key Learning Books by **Friday 12th September**.

Children will need to have their Key Learning Books in school every day to support their learning in sessions.

Below is a reminder of our Home Learning expectations.

Year 5 and Year 6	Year 7 and Year 8
6 pieces a fortnight + TTRS	6 pieces a fortnight + Maths Sparx
1 piece will always be spelling	Tutors will direct students as to which subject(s) will need to be the focus for home learning for each two-week cycle.
Tutors will direct students as to which subject(s) will need to be the focus for home learning for each two-week cycle.	

We will be making use of online quizzing as part of our home learning and as such, making use of Google Classroom in the coming year alongside using the Key Learning Books.

We will continue to support your child in school with their Home Learning through our Learning to Learn lessons.

Supporting you to support your child

We appreciate that home learning is supported by you and thank you for that. As such, I would like to give you advance notice of **Home Learning Workshops** that will be running **Monday 16th September**. Sessions will run 5:00pm – 5:30pm and 5:45pm – 6:15pm. You are welcome to come to either of these sessions, no matter what year your child will be in.

Kind regards,

Blake

Harriet Blake
