Dear Parents and Carers,

### Wrap-around Care

Thank you for your continued patience as we work to establish wrap-around care in line with the government's policy introduced last year. I am writing to provide you with an update on our progress.

Earlier this year, we advertised for staff to lead our wrap-around care provision, but unfortunately, we did not receive enough applications to move forward at that time. We have since re-advertised the positions this term and are pleased to report that we have received some interest. Interviews will be taking place over the next couple of weeks as we look to appoint the right team to ensure our wrap-around care is viable, sustainable, and effective.

Given our current capacity, we are carefully considering the best way to move forward and are exploring a number of options. Please be assured that we are committed to making wrap-around care a reality and are working hard to find a solution.

We fully understand how important this provision is for our families and appreciate your understanding and patience as we navigate these challenges. We will provide a further update in the coming weeks, once we have had the opportunity to discuss our options with staff, parents, and governors.

Your feedback and ideas are always welcome and valued. If you have any suggestions or would like to share your thoughts, please do not hesitate to contact me directly at [rmoore@castlemacademytrust.co.uk](mailto:rmoore@castlemacademytrust.co.uk).

Thank you once again for your ongoing support.

Sincerely,

Mrs Rhonda Moore  
Acting Executive Head Teacher
