

Dear Parents and Carers

12th September 2025

Educational Visits and Experiences

The details for the planned educational visits and experiences for the coming school year have now been finalised and we are delighted to offer these learning opportunities to our Year 8 pupils to enhance the curriculum being taught within school.

We are asking parents to contribute towards the costs of these visit and details of the trips, along with a suggested contribution are shown below. Please note that pupils in receipt of pupil premium will have these costs covered.

October 25 – rescheduled Lulworth Cove and Durdle Door	£9
March 26 – Broadstone Cemetery – studying Edward Wallace and evolution	no cost
July 26 – Bournemouth seafront – tourism	£7
July 26 – Leavers' trip	approx. £30

We have now set up a payment offer on ParentPay/Reach More Parents (weduc) for these contributions and we are asking for payment, if not already made, for the rescheduled Durdle Door and Lulworth Cove trip by 6th October.

Please complete the form below to confirm your permission for your child to take part in the trips and activities:

<https://forms.office.com/e/0fUk0Jcn7M>

Due to the high demands placed on the school's budget and the increasingly challenge funding position, we will be reviewing the contributions made around 6 weeks before each trip/ experience is due to take place. Should insufficient payments have been made, we will unfortunately have to cancel the trips and refund any parents that have made payments. Therefore, we would like to encourage you please to make payment promptly as once a trip has been cancelled, it will not be possible to reinstate it.

Additionally, the trip to PGL Osmington Bay will be taking place in October, details of which have already been sent. If your child is enrolled onto this trip, you should already have paid in full.

Kind regards,

Mrs J Palmer
Head of School
